305 vibrant rooms

The room designs follow the creativity-inspired concept of the hotel. The sleeping areas have a sleek, minimalistic design reminiscent of a blank canvas, while the entrance to each room surprises with an explosion of colour. Contrastingly, the bathrooms were designed to imitate the look and feel of a photography darkroom.

restaurant & bar

Enjoy colourful street food and delicious cocktails in our hotel restaurant. Guests can relax at the bar and soak up the vibrant atmosphere, or sit down for a relaxing dinner whilst being inspired by our dishes. Don't forget to stop by our cheat day van during breakfast to grab some fresh waffles, or enjoy the rest of our breakfast buffet featuring pastries, a yoghurt station, fruit and hot dishes.

artist exhibitions

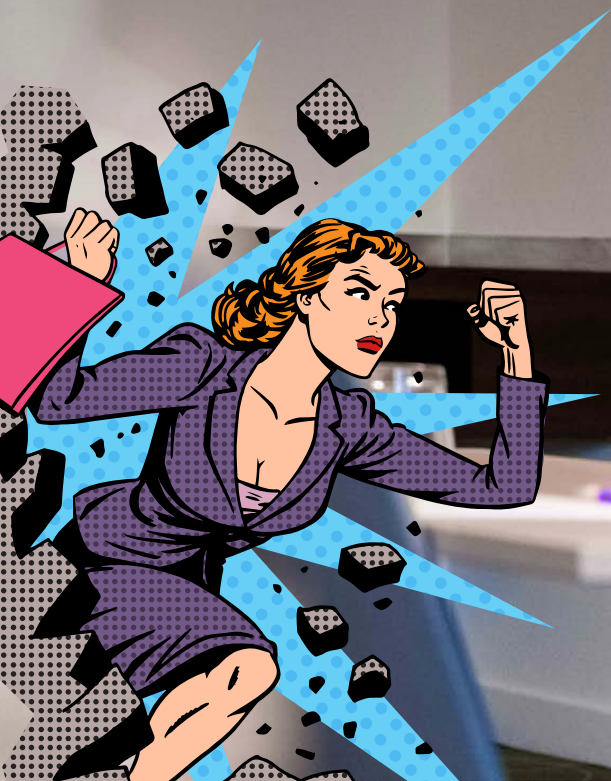

Now Brussels exhibits many artists from Belgium as well as from France and the Netherlands, each in a different style. We exhibit many different art mediums like pop art, mandala, graffiti, watercolour and photography. For each new artist, we organise an opening event of their exhibition to celebrate their creativity and put a spotlight on their work
