### ***The Hotel***

NH Collection Ibiza is an exclusive five-star boutique hotel located in one of the island's most privileged areas, just steps from the marinas of Marina Ibiza and Marina Botafoch, and very close to the iconic historic quarter of Dalt Vila, a UNESCO World Heritage Site.

The hotel occupies an iconic building originally designed in 1981 by Spanish architect José Ribas Folguera and fully renovated in 2017. Today, it showcases an elegant, minimalist aesthetic. Its architecture—an expression of refined contemporary luxury—is defined by clean lines, generous spaces flooded with natural light, expansive glass surfaces, and a strong presence of geometric forms. The result is an intimate and sophisticated retreat that connects seamlessly with Ibiza's vibrant culture, creative energy, and distinctive sensuality.

Its proximity to emblematic beaches such as Talamanca and Ses Salines, as well as to some of the world's most iconic nightlife venues—including Pacha, Lío, and Club Chinois—makes NH Collection Ibiza the ideal destination both for those seeking rest, privacy, and exclusivity, and for travelers wishing to immerse themselves in the island's most cosmopolitan and dynamic spirit.

### ***Services & Facilities***

The hotel features 38 rooms and suites spread across four floors, designed by the renowned studio B&K (Alon Baranowitz & Irene Kronenberg). Inspired by the nautical world and defined by a minimalist aesthetic, the interiors combine clean lines, noble materials, and a serene, contemporary atmosphere. All rooms feature a private balcony—many with spectacular views over the marina and the historic old town—and are equipped with premium amenities such as a Nespresso machine, Chromecast on TV, Bluetooth speakers, and marble bathrooms with rain-effect showers.

The accommodation offering includes categories such as Premium Rooms with terrace, Junior Suites, and the exclusive Penthouse Suites. With 65 m<sup>2</sup> of interior space and private terraces of up to 80 m<sup>2</sup> equipped with

Balinese beds, the Penthouse Suites become truly unique spaces, ideal both for relaxation and for hosting private events of up to 70 guests.

Among its services and facilities, the hotel offers an outdoor swimming pool set in a relaxed yet sophisticated atmosphere, a gym with state-of-the-art equipment, 24-hour room service, private parking, in-room massage treatments, and boat and bicycle rental services. The hotel also provides VIP transfers by luxury car, motorboat, or sailing yacht, ensuring a seamless arrival and transportation experience that meets the highest standards.

Complementing this offering, NH Collection Ibiza provides a highly personalized guest service focused on designing bespoke experiences and tailor-made itineraries that combine relaxation, gastronomy, and nightlife. From exclusive routes to hidden coves around the island to the organization of private celebrations in the Penthouse Suites, every proposal is carefully curated to bring guests closer to the very best of Ibiza, with discretion, excellence, and meticulous attention to detail.

### ***Gastronomic Proposals***

The gastronomic offering at NH Collection Ibiza has been carefully curated to deliver a cosmopolitan, vibrant, and diverse experience, where fine dining blends naturally with entertainment and highly distinctive settings.

**SLVJ Ibiza** defines the hotel's culinary DNA through a concept that fuses cutting-edge Japanese cuisine with music, design, and live performance. More than a restaurant, it is an immersive experience designed to engage all the senses. Its exclusive Omakase bar invites guests to interact directly with the chef and discover surprising creations in a sophisticated setting, complemented by signature cocktails and a carefully choreographed atmosphere.

During the day, **Rhino Bar** offers a relaxed and light-filled alternative by the pool. Inspired by SLVJ's most iconic dishes, its menu features fresher, lighter interpretations—ideal for enjoying in an informal setting while embracing the Mediterranean lifestyle.

**Arrogante**, meanwhile, marks the arrival on the island of the irreverent Italian concept from the Salvaje Group. Conceived as a 24-hour pop-up, this vibrant space serves artisanal pizzas and fresh pasta in a playful, laid-back environment with a strong identity, perfect for guests seeking Italian cuisine at any time of day or night. With these three distinct dining concepts, NH Collection Ibiza ensures that every moment of the day has its own character and flavor, combining world-class international cuisine with unique settings that invite guests to experience the island with intensity, sophistication, and style.
