Anantara experiences

Vienna, the imperial metropolis on the Danube, is a treasure trove of history and tradition. Guests can explore the rich heritage of the former capital of the Habsburg empire, its beautiful architecture, historic city centre and the wine villages that surround it through unique experiences curated by Anantara.

FOLLOWING THE FOOTSTEPS OF THEOPHIL HANSEN

A Theophil Hansen expert leads this guided tour to share the history of his landmark buildings as well as the chandeliers, glassware and decorative art that characterise their interiors. Behind the scenes at Lobmeyr, former purveyors of crystal and glassware to the Imperial Court, guests uncover the secrets of a true Viennese atelier as they follow the footsteps of the famous Ringstrasse architect.

VIENNA'S VINEYARDS

Vienna's wine culture reveals itself with an expert guide as guests hike through vineyards with spectacular views over the city. A picnic of typical "heurigen" food and Austrian wines, including the Gemischter Satz – a unique blend of grapes grown right here in Vienna – is surrounded by a scenic landscape many visitors don't expect.

STUDIO COMPLOJ GLASSBLOWING

Step into a world where creativity and craftsmanship in glass art come together glass art, from intricate sculptures to elegant functional pieces. In a private glassblowing course, you have the unique opportunity to learn about the history and tradition of glass artisans in Vienna and directly and work with molten glass to create your own sculptures and ornaments.

DESIGNER DINING BY ANANTARA

Unparalleled luxury awaits in a private three-course lunch at Michelin-starred restaurant EDVARD, hosted by Head Chef, Paul Gamauf. A personalised menu features an array of textures and flavours crafted from meticulously selected seasonal ingredients with a low-waste food philosophy and expertly paired with fine wines curated by our sommelier.
