Golf courses

Anantara Villa Padierna Palace Resort boasts three world-class golf courses, offering some of the finest play in the Costa del Sol. Additionally, more than 40 golf courses are within easy reach of this outstanding location, known among enthusiasts as the Costa del Golf.

FLAMINGOS

This 18-hole course is the resort's original golfing green, and one of Costa del Sol's most picturesque. Views of the Mediterranean stretch as far as Gibraltar and Africa. The greens are generous in size while the fairways are slender, particularly on the first half of the course. Flamingos has hosted the European Senior Tour and Women's Spanish Open.

ALFERINI

Alferini enjoys a peaceful setting in a verdant valley surrounded by mountains. One of the few par-73 courses on the Costa del Sol, Alferini was designed by Spanish architect Antonio Garcia Garrido. The 18-hole course is considered technical — demanding length and accuracy — with long fairways and wide greens.

TRAMORES

Tramores is ideal for beginners or those wishing to perfect their technique, with a Michael Campbell golf academy on site. The 18-hole executive course at 3,468 m is fast and requires accuracy. Situated in a tranquil setting between two valleys, it boasts breathtaking views of the Mediterranean Sea.

Anantara experiences

Exploration and discovery lead to unforgettable moments to treasure forever. At Anantara Villa Padierna Palace, guests connect to authentic Andalusian life through a carefully curated selection of experiences.

Whether cultural, relaxing, adventurous or gastronomical, each experience brings this unique destination closer, creating an impact that lasts.

CARMEN, A BOUTIQUE OPERA

The magic of Bizet's "Carmen" fills the dramatic Roman amphitheater at Anantara Villa Padierna with a reduced version of the operatic masterpiece. The boutique performance features four of the story's main characters: Carmen, Don José, Escamillo, and Micaela, accompanied by the piano.

THE LIFE OF THE SPANISH HORSE

In a natural environment declared a biosphere reserve by UNESCO, Spanish horses live in freedom, accompanied by the men and women of Andalusia who take care of them. This cultural experience offers an unique encounter.

EXTRA VIRGIN OLIVE OIL EXPLORATION

Unique in the world, this activity offers the chance to explore the farm, try out the techniques, taste the flavours and bottle their own extra virgin olive oil to take home and enjoy its many benefits.

FLAMENCO PRIVÉ: AN ELITE EXPERIENCE

Immerse yourself in the rhythm and soul of Spain. Learn flamenco with José Franco, a renowned flamenco dancer known for his electrifying performances and deep connection to this traditional Spanish dance.

CHEF'S TASTING GARDEN

During the spring and summer months, join our chef in the garden to savour exquisite dishes made from ingredients harvested just metres away, in a picturesque corner of the palace grounds.

Sophisticated settings

With direct flights from across Europe into Malaga, the Costa del Sol is ideal for high-end gatherings, and Anantara Villa Padierna Palace Resort offers unique settings for memorable occasions.

Whether against a backdrop decorated with Renaissance paintings and statues or in a dramatic Roman amphitheater, meetings and events are elevated in a palatial resort perfect for intimate get-togethers and multi-day conferences complete with rounds on the golf course.
