

BALI MAP

SINGARAJA
Visit Lovina Beach, See the dolphins and its peaceful surroundings.

BEDUGUL
A mountain lake resort area which has mild mountain weather due to its location at an altitude of about 1,500 metres above the sea level. Major sites in bedugul are the Pura Ulun Danu water temple and the Eka Karya Botanical Garden.

KINTAMANI
Offers dramatic views of the active volcano Mount Batur and serene Lake Batur

MOUNT AGUNG
Towering 3,031 metres above sea level, Mount Agung is the highest mountain on the island. It has huge spiritual significance to the people of the island, and is home to the "Mother Temple" of Besakih.

UBUD
Located amongst rice paddies and steep ravines in the central foothills of the Gianyar regency, Ubud is Bali's major arts and culture center with a large number of museums galleries and artists workshops.

TANAH LOT
A holy temple on a small ashore island and a marvelous sunset, which make it a popular cultural icon for photography

SEMINYAK
Seminyak is more up market with mostly luxury accommodation and fashionable lively restaurants, bars and many unique shops

LEGIAN
A suburban and beach area located between north of Kuta and south of Seminyak, Legian has great restaurants, cafes and shops.

KUTA
The most popular tourist area on the island and a great surfing beach. Kuta is also the center of the island's clubbing area.

NUSA DUA
As well as a host of luxury hotels, Nusa Dua is home to the most popular golf course in Bali and the main convention centre on the island. The beaches here are glorious - white sand, deep, long and safe for swimming.

SANUR
Bali's oldest upscale resort area and is a mature beach-side town, yet its quite charm still appeals and has many fine hotels & restaurants.
