

A New Chapter of Timeless Hospitality Unfolds in Oman's Capital at Tivoli LA VIE Muscat Hotel & Residences

September 25, 2026: [Tivoli Hotels & Resorts](#) is pleased to announce the opening of a new landmark address in the capital, [Tivoli LA VIE Muscat Hotel & Residences](#), introducing the brand's renowned European elegance enriched with Oman's rich culture and heritage.

Located in the prestigious LA VIE development and inspired by the joy of life, Tivoli LA VIE has been developed as a destination that feels both timeless and contemporary.

79 guest rooms and suites embody understated sophistication, blending modern European style with subtle Omani influences. Soft coastal tones, natural textures and graceful detailing create a sense of serenity. Premium in-room amenities accentuate every stay, with Dyson technology, SMEG machines, luxurious Amouage bathroom amenities, and Läderach chocolate turndown treats as standard. Spacious layouts, private balconies and modern comforts invite guests to enjoy a private retreat within easy reach of the city's interesting sights.

The collection unfolds across 15 Superior Rooms and 41 Deluxe Golf View Rooms at 430 square feet, alongside nine counterparts with terraces overlooking the golf course. Ten Junior Golf View Suites offer 645 square feet of heightened luxury, and a further eight include balconies gazing onto the greens below. Three One Bedroom Golf View Suites extend to 710 square feet, while the 1700-square-foot Two Bedroom Presidential Suite is the crowning tier.

Throughout the property, carefully considered design details reflect authentic Omani craftsmanship. Social spaces balance intimacy with openness, creating environments suited to both quiet moments and convivial gatherings. The overall aesthetic combines understated European sophistication with a clear sense of place.

Gourmet excellence forms the centerpiece of the Tivoli LA VIE Muscat journey. S O L É showcases Mediterranean cooking centered on seasonality and ingredient provenance. The adjoining S O L É Lounge provides an informal setting for daytime refreshments and afternoon treats, creating a natural transition from relaxed meetings to leisurely dining experiences.

Overlooking the fairway, Nineteenth Sports Bar and Cigar Vault delivers a spirited atmosphere supported by an extensive drinks selection and a dedicated cigar offering. The setting appeals equally to sporting enthusiasts and those seeking a more composed late-night environment.

SEEN by Olivier da Costa adds a new rooftop dining experience to Muscat, bringing the internationally recognized concept to Tivoli LA VIE as the first SEEN by Olivier in the Middle East. Set against views of the LA VIE Country Club and Muscat's evening skies, SEEN pairs bold global flavors with a lively, contemporary atmosphere shaped by its Omani setting.

The gastronomic portfolio will expand later this year with the introduction of Benihana, presenting its internationally recognized Japanese teppanyaki theater. The Coffee Club will add an accessible all-day dining concept.

Wellbeing is woven naturally into the Tivoli LA VIE experience. The first Anantara Spa in Muscat is now open, offering a tranquil space for relaxation and renewal through a range of thoughtful treatments and therapies. It is complemented by the capital's longest rooftop infinity pool, ideal for swimming full laps, alongside Technogym fitness facilities and comprehensive leisure experiences.

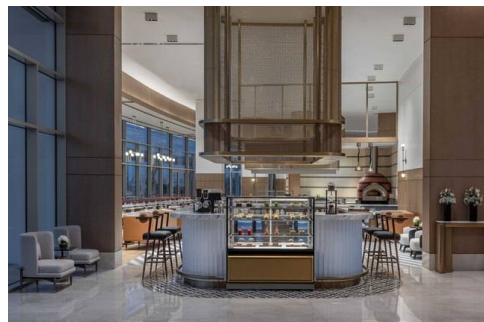

Tivoli LA VIE Muscat's location in Madinat Al Irfan allows guests to enjoy effortless access to retail, entertainment and cultural attractions. As Oman's first hotel on a championship golf course, enabling an integrated play and stay experience. Keen golfers can play 18 holes on the Troon-managed course designed by Paul Thomas or practice their backswing at the country's sole Toptracer facility.

For meetings and events, Tivoli LA VIE Muscat introduces a higher tier to the city's MICE scene. The Juman Ballroom ranks among the largest in the city, accommodating up to 520 guests with ease. An impressive 60 x 20 foot high definition screen spans one wall of the ballroom, supported by advanced audiovisual systems engineered for live broadcasts, keynote addresses or high-impact product reveals.

Fronting the tenth hole of the LA VIE Country Club golf course, the ballroom lends gravitas to ministerial assemblies, black tie gala dinners or distinguished weddings. Three additional meeting rooms benefit from natural daylight and flexible configurations, allowing programs to move effortlessly from plenary sessions to private negotiations.

With a journey that dates back to 1933 in Lisbon, Portugal, Tivoli Hotels & Resorts stands out for its cultural heritage and genuine connection to each destination. This is the brand's fourth property in the Middle East.
