

Luxury That Moves with You: Anantara Introduces "Suite Time Privilege," Offering Flexible Arrival and Departure Times

August 6, 2026: [Anantara Hotels & Resorts](#), a luxury hospitality brand for modern travelers, introduces Suite Time Privilege, a new executive benefit for guests booking select luxury suites across its European portfolio. Designed to give travelers greater control over their stay, the offering allows guests to choose their own arrival and departure times, eliminating the need to book an additional night to accommodate early check-in or late check-out.

Created to address the realities of long-distance and overnight travel, Suite Time Privilege offers greater freedom and convenience for guests crossing multiple time zones, allowing them to align their arrival and departure with their travel schedules for a more seamless and restorative stay.

With Suite Time Privilege, guests can check in and check out at the time of their choice, with complimentary round-trip airport transfers and in-room breakfast ensuring a seamless transition from airport to suite. Travelers simply provide their flight details and preferred arrival

and departure times at least 72 hours before arrival, allowing Anantara's teams to coordinate room readiness, housekeeping and private transfers with precision. From the moment they land, every detail is thoughtfully arranged to deliver the brand's signature hospitality and a seamless, stress-free stay.

“The new Suite Time Privilege gives travelers control over their time, reflecting Anantara’s commitment to personalized hospitality,” said **Giles Selves, Senior Vice President Luxury Hotels Europe and Americas at Minor Hotels, Anantara’s parent company.** “In a world that rarely slows down, Anantara offers the gift of time: to arrive gently, to linger, and to savor the full experience of a suite stay. Many of our guests cross multiple time zones and juggle demanding schedules. Flex Stay is our way of giving them a smoother, more intuitive journey.”

Privileges With a Sense of Place

By adding Suite Time Privilege to its existing Flex Stay benefits, Anantara further enhances the guest experience, enriching each stay with moments that celebrate craftsmanship, well-being and a sense of place. At [Anantara Grand Hotel Krasnapolsky Amsterdam](#), suite guests

enjoy complimentary diamond polishing by the master artisans at GASSAN Diamonds. At [Anantara New York Palace Budapest Hotel](#), Presidential Suite guests are treated to a restorative massage, while at [Anantara Plaza Nice Hotel](#), travelers are welcomed with an elegant afternoon tea experience at Les Colonnades lounge.

Suite Time Privilege is available exclusively for eligible suite categories and is subject to availability. Guests are encouraged to share their arrival and departure details at least 72 hours prior to arrival to ensure the smoothest possible experience.
