Anantara Presents: La Dolce Riviera

A celebration of Mediterranean summer living across Rome, Nice, and Amalfi

June 8, 2026: [Anantara Hotels & Resorts](#) introduces La Dolce Riviera, a new summer program connecting three iconic European destinations—Rome, Nice, and Amalfi—through a shared celebration of Mediterranean elegance, culture, and art de vivre.

Blending Italian vibrancy with French sophistication, the initiative offers a contemporary interpretation of the Riviera lifestyle, where gastronomy, music, art, and well-being come together through a curated series of experiences that capture the essence of Mediterranean summer living.

On **June 25**, the concept will come to life simultaneously across all three destinations through a coordinated signature event, created in collaboration with luxury brand **Judith Leiber Couture**, which will unveil its new "La Dolce Vita" collection for the occasion. This exclusive partnership adds another layer of glamour and creative expression, integrating fashion, craftsmanship, and contemporary lifestyle into the Dolce Riviera story.

Each destination interprets La Dolce Riviera through its own identity while remaining united by a shared narrative of sensory pleasure, cultural exchange, and timeless elegance.

Nice | Anantara Plaza Nice Hotel

On the French Riviera, Anantara Plaza Nice presents La Dolce Riviera through a blend of Italian and French Riviera influences.

The signature La Dolce Riviera cocktail—a **Limoncello Spritz** combining vibrant citrus notes with sparkling prosecco and a subtle French Riviera twist—sets the tone for a refreshing aperitivo experience.

At the heart of the hotel, the **Anantara Spa** offers a sanctuary inspired by the Côte d'Azur's art of living. Guests are invited to embark on a sensory journey, from citrus-infused massages to revitalizing facials, celebrating balance, well-being, and the restorative essence of the Mediterranean.

The culinary experience reflects this cross-cultural identity through a weekly lunch menu, where the flavors of the French Riviera meet Italian inspiration. Signature dishes include sea bass fillet alla puttanesca, sea bream carpaccio enhanced with citrus, and zucchini flower fritters that evoke the region's sun-drenched heritage.

At Anantara Plaza Nice, La Dolce Riviera brings together gastronomy, wellness, and lifestyle in a Riviera-inspired experience.

Rome | Anantara Palazzo Naiadi Rome Hotel

In Rome, La Dolce Riviera unfolds above the Eternal City at Anantara Palazzo Naiadi Rome Hotel, where the hotel's rooftop terrace and pool transform into an urban sanctuary

overlooking Piazza della Repubblica.

As twilight settles, live acoustic music featuring Italian swing and international influences carries the atmosphere from sunset into evening.

Art becomes an integral part of the experience, with a **live illustrator** capturing the spirit of the evening through hand-illustrated fans—poetic keepsakes that reinterpret a timeless Italian summer tradition in a contemporary way.

The visual narrative is enriched by a signature photo opportunity featuring a vintage Vespa, an enduring symbol of Italian lifestyle and cinematic heritage.

At the heart of the evening is a culinary journey.

The gastronomic offering reflects a Mediterranean identity, where Italian and French influences meet global inspiration, from classic mini supplì to Tarte Tropézienne and refreshing lemon sorbet.

The signature **Azzurro cocktail**—blending gin, Mediterranean botanicals, Venturo bitter, Italicus, dry vermouth, a touch of seawater, and Amalfi lemon zest—captures the essence of the Mediterranean coastline in a single sip.

Amalfi | Anantara Convento di Amalfi Grand Hotel

Along the Amalfi Coast, La Dolce Riviera takes shape within the historic setting of Anantara Convento di Amalfi, where heritage, landscape, and local traditions create an immersive

atmosphere.

Guests are welcomed with a lemon-inspired reception celebrating the region's iconic flavors through both alcoholic and non-alcoholic creations that reflect the Amalfi lifestyle.

The culinary offering highlights local excellence through curated food stations featuring regional cheeses, cured meats, and bite-sized specialties. Two signature creations pay homage to the cross-destination concept: a carbonara-style **pasta frittatina** inspired by Rome and a classic Niçoise salad reflecting Nice.

The signature cocktail—a Limoncello Spritz crafted with the hotel's own artisanal limoncello—offers an authentic interpretation of the Dolce Riviera spirit.

Set along the Monk's Walk, the event unfolds in a convivial atmosphere enhanced by live music and local artists, bringing an authentic cultural dimension to the experience.

A Contemporary Mediterranean Story

With La Dolce Riviera, Anantara Hotels & Resorts redefines the summer experience through a cross-destination narrative that celebrates both the diversity and unity of the Mediterranean.

From Rome's cinematic rooftops to Nice's seafront and Amalfi's cliffs, the initiative offers a journey in which each destination becomes a chapter in a broader story—one that captures the essence of European summer living with effortless sophistication.

A Belle Époque facelift in the 1910s bestowed the ornate façades, grand interiors and Riviera glamour that endure today, now reimagined through a complete renovation by a consortium of acclaimed designers and architects, including award winning David Collins Studio, local architect JeanPaul Gomis and TBC Interiorismo Studio. Together they have crafted stylish interiors that seamlessly blend old world elegance with contemporary luxury.
