

Mo Wang

CEO of Lynk & Co International

Mo Wang is the Chief Executive Officer of Lynk & Co International. As CEO, Mo leads Lynk & Co International and oversees the company's European operating structure. He also serves as the key link between Lynk & Co's global organization and Volvo Cars in Europe, helping ensure alignment and effective collaboration as the brand enters its next phase of development.

Mo joined Lynk & Co as Deputy CEO in April 2026, bringing extensive experience from across the Geely ecosystem. Prior to his appointment, he served as Managing Director of Geely Brand Europe and Vice President of Geely International, where he was responsible for the brand's expansion across Europe, working with both National Sales Companies and distributor markets.

Since joining Geely in 2019, Mo has held several senior leadership positions spanning international business development, commercial operations, and market expansion. His experience includes leadership roles at Geely International, London EV Company, and Geely Holding's operations in Malaysia.

With a strong background in building international businesses and managing complex cross-market operations, Mo brings extensive experience in leading multicultural teams, developing strategic partnerships, and driving growth across diverse markets.

Mo holds an Executive MBA from Shanghai Jiao Tong University and a Bachelor's degree in Internal Combustion Engine Engineering from Xi'an Jiaotong University.
