

This festive season, Rituals Cosmetics invites you to slow down and savour every moment of magic with The Ritual of Advent: two beautifully designed Advent Calendars that deliver 24 joyful moments of discovery.

The comforting traditions and the excitement of discovering something new each morning in the run up to the big day.

Inspired by these cherished moments, the Advent Calendar designs are more than a festive countdown, they are collectible keepsakes designed to spark joy and nostalgia. From a luxurious house decorated for the Holidays, capturing the warmth and comfort of home, to a charming trainset that brings childhood memories to mind.

Filled with bestselling Rituals favourites, limited editions, exciting new beauty and fragrance innovations, and luxurious full-size products, each Advent Calendar offers 24 moments of pure joy throughout December. Whether you're drawn to the comforting charm of our Classic Advent Calendar or the nostalgic wonder of our Premium Advent Calendar, each morning brings with it a new and exciting discovery.

“The magic of advent lies in the anticipation, the small moments of excitement that build morning after morning. We designed this year’s advent calendars to celebrate that feeling, transforming each December morning into a joyful moment of discovery. We wanted to create keepsakes that people would look forward to displaying year after year, bringing together thoughtful design, festive storytelling, and the joy of creating meaningful moments throughout the month. Whether shared with loved ones or enjoyed as a gift to yourself, we hope they bring more wonder, warmth, and festive magic to your mornings.”

- Lot van Rij, Rituals Executive Director Innovation & Product Life Cycle Management

The Ritual of Advent Classic Advent Calendar: 24 doors to joy
