MAESTRALE RS / GEA RS

ALPINE TOURING FW 26

MAESTRALE RS / GEA RS

READY TO EXPLORE

Highlights

- High power and precision on the descent
- Excellent comfort on the ascent
- DIY (Do It Yourself) maintenance

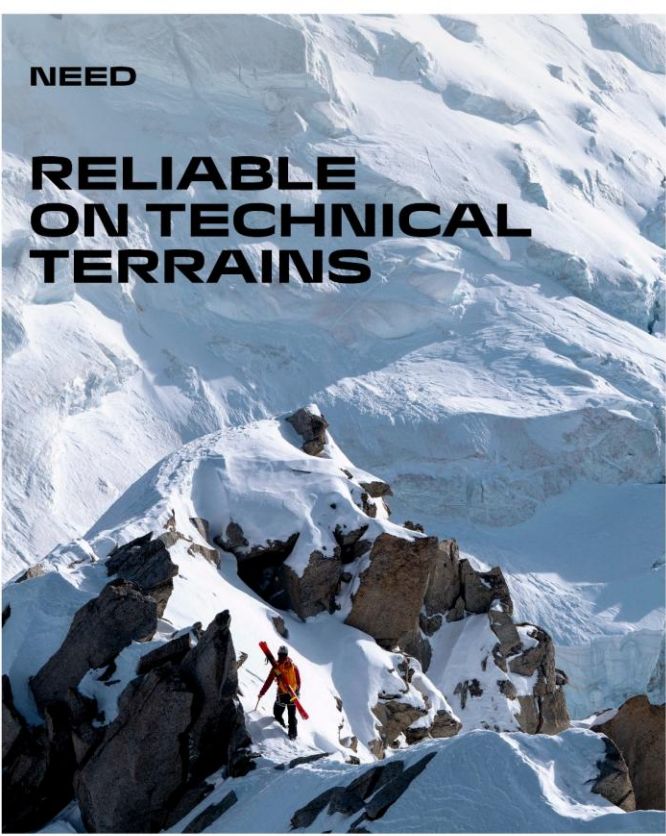

Maestrale RS / GEA RS offers a solid, powerful flex for the descent and a generous range of motion for effortless uphill travel. A new four-buckle configuration provides a uniform closure, ensuring a secure and precise fit and excellent control.

Weight: 1570 g (½ pair size 27)
Materials
Shell: Grilamid®
Cuff: Pebax Rnew®
Tongue: Pebax®
Bindings: Alpine Touring + TLT
Sizing:
M: 24.5 – 32 (with ½ sizes)
W: 22.5 – 27 (with ½ sizes)

Target

The MAESTRALE RS and GEA RS are designed for expert backcountry skiers who demand both power and comfort. Offering strong flex for the descent and excellent range of motion for the climb, they balance precision and efficiency in every turn. A redesigned four-buckle closure ensures a uniform, secure fit and reliable control.

SCARPA is a company specialised in the production of outdoor footwear for mountaineering, climbing, trail running, trekking, hiking, outdoor lifestyle, alpine touring and telemark skiing.

Founded in 1938 in Asolo, in the northeast of Italy, as Società Calzaturieri Asolani Riuniti Pedemontana Anonima (hence the acronym S.C.A.R.P.A.).

Today **SCARPA** is based in the heart of the Veneto footwear district with factories in Germany, USA, China, Romania and Serbia.
