Veloce V is the benchmark **training** shoe in the collection, primarily for indoor use. The roomier toe shape ensures long lasting comfort and smearing sensitivity. Updated Z-strap, redesigned heel and S72 compound with minimal midsole improve fit, grip and flexibility..

A UNIQUE SHAPE IN THE LINE

the extra-toe space ensures unmatched comfort. making the veloce family a unique shoe in our climbing line.

NEW HEEL CONSTRUCTION

Redesigned heel with two Vibram XS edge rubber pieces combined for maximum hooking power, plus added internal padding in foam for greater comfort.

UPGRADED Z-STRAP CLOSURE SYSTEM

Wider, stronger, and more durable. Keeps the foot locked in and secured for consistent performance.

Target

Designed for committed climbers who spend long hours training on indoor boulders, boards, and modern lead routes. Veloce supports high-frequency sessions and repeated attempts, offering a unique shape with extra toe space for sustained comfort. At the same time, it preserves the sensitivity required for precise footwork, making it ideal for climbers focused on progression through consistent, high-quality training.

About SCARPA

SCARPA was founded on the belief that No Place Too Far exists to be explored. A vision that reflects a deep respect for the mountains, and one that supports those who aim to turn every limit into a new benchmark. Craftsmanship and innovation come together to create footwear for every path, from everyday challenges to the most demanding peaks.

Grounded in a family-owned Italian heritage and a direct production chain, SCARPA has always invested in human relationships built on trust and mutual understanding. Every product is born from a real need, interpreted with expertise to create high-performance, durable footwear. Authenticity, mountain culture and conscious innovation guide every decision—yesterday as much as tomorrow.

Founded in 1938 in Asolo, in the heart of Italy's Veneto footwear district, SCARPA is an international company specializing in footwear for mountaineering, climbing, trail running, trekking, hiking, outdoor lifestyle, ski mountaineering, and telemark. With offices in Italy, Germany, the United States, and China, and production facilities in Italy, Romania, and Serbia, SCARPA remains a reference point for those who experience nature as a source of freedom and adventure.
