Mescalito 2 evolves the iconic approach shoe by delivering greater comfort, versatility, and protection. The new midsole enhances durability, while the insert running from the midfoot to the toe provides increased stability and support during climbing phases and on technical terrain. The Vibram® outsole ensures reliable grip on rock and mixed surfaces, making the shoe ideal for approach routes, easy climbs, and long days in the mountains. Made in Europe.

Vibram® Megagrip with Traction Lug: improved grip, traction, and durability; resoleable

XT Sock-Fit tongue: enhanced comfort and a precise, wrap-around fit

Protective lateral construction: increased abrasion resistance and long-lasting durability.

Target

An audience that embodies the authentic values of the mountain: people who experience the alpine environment with passion, determination, and a deep sense of belonging. Individuals who seek products capable of supporting them in their challenges, who view quality as a form of personal expression, and who see the mountains not just as a place, but as a way of being.

About SCARPA

SCARPA was founded on the belief that No Place Too Far exists to be explored. A vision that reflects a deep respect for the mountains, and one that supports those who aim to turn every limit into a new benchmark. Craftsmanship and innovation come together to create footwear for every path, from everyday challenges to the most demanding peaks.

Grounded in a family-owned Italian heritage and a direct production chain, SCARPA has always invested in human relationships built on trust and mutual understanding. Every product is born from a real need, interpreted with expertise to create high-performance, durable footwear. Authenticity, mountain culture and conscious innovation guide every decision—yesterday as much as tomorrow.

Founded in 1938 in Asolo, in the heart of Italy's Veneto footwear district, SCARPA is an international company specializing in footwear for mountaineering, climbing, trail running, trekking, hiking, outdoor lifestyle, ski mountaineering, and telemark. With offices in Italy, Germany, the United States, and China, and production facilities in Italy, Romania, and Serbia, SCARPA remains a reference point for those who experience nature as a source of freedom and adventure.
