Horizon GTX is a versatile trekking shoe designed to deliver lasting comfort, support, and stability on long days outdoors. The EVA/rubber midsole provides effective cushioning and shock absorption, while the intuitive lacing system ensures a quick, secure fit. The Horizon Trek sole with **Vibram® XS Trek** rubber compound outsole guarantees reliable grip and traction on mixed terrain. Made in Europe.

Smooth, dynamic walking comfort — engineered for natural, fluid stride

Premium nubuck leather upper — durability, protection, and refined feel

GORE-TEX ePE More Seasons Bluesign® — sustainable waterproof protection for all-terrain use

Target

A community of outdoor enthusiasts who seek products that amplify their energy and sense of belonging. They move in nature as an expression of personal freedom, and their authentic passion naturally attracts and inspires others — becoming aspirational even for newcomers approaching the world of outdoor exploration.

About SCARPA

SCARPA was founded on the belief that No Place Too Far exists to be explored. A vision that reflects a deep respect for the mountains, and one that supports those who aim to turn every limit into a new benchmark. Craftsmanship and innovation come together to create footwear for every path, from everyday challenges to the most demanding peaks.

Grounded in a family-owned Italian heritage and a direct production chain, SCARPA has always invested in human relationships built on trust and mutual understanding. Every product is born from a real need, interpreted with expertise to create high-performance, durable footwear. Authenticity, mountain culture and conscious innovation guide every decision—yesterday as much as tomorrow.

Founded in 1938 in Asolo, in the heart of Italy's Veneto footwear district, SCARPA is an international company specializing in footwear for mountaineering, climbing, trail running, trekking, hiking, outdoor lifestyle, ski mountaineering, and telemark. With offices in Italy, Germany, the United States, and China, and production facilities in Italy, Romania, and Serbia, SCARPA remains a reference point for those who experience nature as a source of freedom and adventure.
