All-electric.
Never silent.

#3 Line Overview.

smart #3 Line Overview.

The #3 stirs up the premium EV segment as a sporty SUV coupé. With its athletic curves and powerful “shark nose” it stands out as a timelessly elegant everyday companion. Customers will be in the driver’s seat when it comes to choosing between the urbanity of the Pro, the comfort of the Pro+, the luxury of the Premium, the adventurous Pulse or the performance of the BRABUS version. All the options of an electric SUV coupé you could need are delivered in one ready-to-go smart package. Each line has its own character and is unique in its appeal. It is up to the customers now to choose the one suiting their lifestyle.
