#3 Line Overview.

smart #3 Line Overview.

The smart #3 stirs up the premium EV segment as a sporty SUV coupé. With its athletic curves and powerful “shark nose” it stands out as a timelessly elegant everyday companion. Customers will be in the driver’s seat when it comes to choosing between the urbanity of the Pro, the comfort of the Pro+, the luxury of the Premium or the performance of the BRABUS version. All the options of an electric SUV coupé you could need are delivered in one ready-to-go smart package. Each line has its own character and is unique in its appeal. It is up to the customers now to choose the one suiting their lifestyle.
