

#1

All-electric.
Never silent.

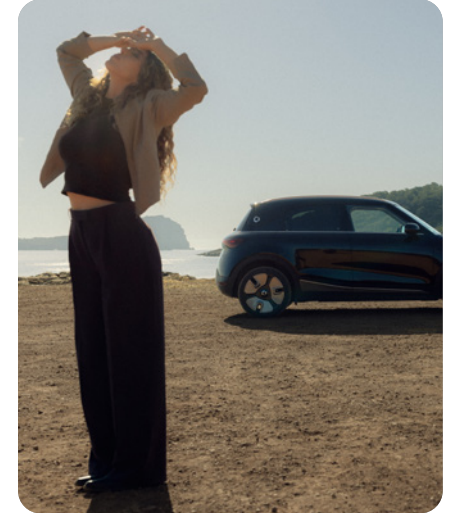

#1 Line Overview.

smart #1 Line Overview.

Versatility meets character in the smart #1. With plenty of personality and space, the refined allrounder guides its passengers through everyday life and attracts attention as soon as they get in.

Customers can choose between the entry-level line Pure, the urbanity of the Pro, the comfort of the Pro+, the elegance of the Premium or the performance of the BRABUS. Each variant of the smart #1 has its own character and smart feature package.

Now it's up to customers to choose the one that best suits their lifestyle.
