

#5

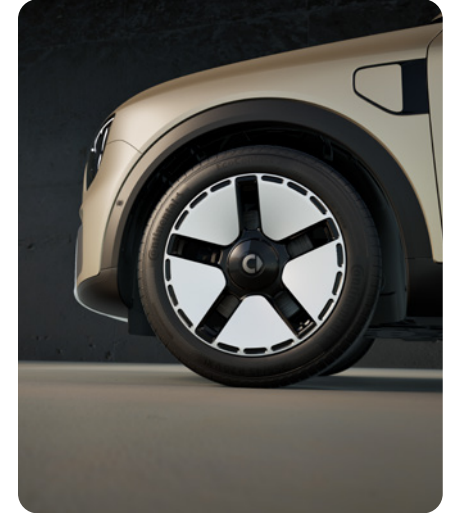

Progressive Adventure. Beyond Limits.

#5 Line Overview.

smart #5 Line Overview.

As the first premium mid-size SUV in the all-electric line-up, the smart #5 offers exceptional space and versatility. Its short overhangs and long wheelbase maximize interior space, while the boxy silhouette and signature oblong design elements underline its adventurous yet stylish character.

Customers will be in the driver's seat when it comes to choosing their perfect fit: from the entry-level Pro+, the elegance of the Premium or the performance of the BRABUS. Each line has its unique character, ensuring there is an ideal match for every lifestyle.
