

Tickets Now on Sale for Dopamine Land Jakarta, a Global Immersive Experience Coming This October

Fever brings the sensory-rich wonderland to Central Park Mall 2, inviting visitors of all ages to step into nine rooms of joy, play, colour, sound, touch, and imagination

Jakarta, October 2026 - Get ready, Jakarta: Dopamine Land is almost here. Fever, the world's leading tech platform for discovering culture and live entertainment, today announces that tickets are now on sale for Dopamine Land Jakarta, a global immersive experience designed around joy, play, colour, sound, touch, and imagination.

Opening to the public this October at Central Park Mall 2, Dopamine Land invites Indonesian audiences to secure their tickets and be among the first to step into a multi-sensory world built around the feeling of happiness. Across nine interactive rooms designed for all ages, guests will explore vivid colours, optical illusions, mesmerising

soundscapes, playful textures, nostalgic moments, and immersive environments that spark curiosity, connection, and delight - bringing a new kind of fun-filled escape to Jakarta.

With over 1 million visitors across various cities worldwide, Dopamine Land has built its reputation as a global immersive experience that celebrates joy in its most playful form. After delighting audiences in cities such as London, Madrid, Dubai, São Paulo, Washington DC, Brisbane, New Jersey, Singapore, and Santiago, Dopamine Land now brings its sensory-rich world to Jakarta — inviting Indonesian visitors to discover the colour, play, nostalgia, imagination, and interactive fun that have made the experience a global phenomenon.

“At Fever, our mission is to help people discover unforgettable experiences in real life. Dopamine Land brings that mission to life through a joyful, immersive, and highly interactive experience that can be enjoyed by families, friends, and visitors of all ages,” said Sean Morris, General Manager ANZ at Fever.

Visitors can look forward to nine immersive rooms, each designed to spark a different expression of joy - from neon worlds and creative spaces for self-expression to playful pillow fights, dreamlike ball pits, calming sensory environments, and light-filled reflective spaces.

Designed for families, friends, young adults, and the young-at-heart, Dopamine Land is more than a place to visit. It is a shared experience made to be explored, captured, shared, and remembered.

Dopamine Land Jakarta will officially open to the public at Central Park Mall 2, 3M Floor, Unit 209, Jl. Letjen S. Parman Kav. 28, Tanjung Duren Selatan, Grogol Petamburan, West Jakarta City, DKI Jakarta 11470.
