**New York, March 6, 2025** – Yoto, the award-winning children's audio platform and creators of the Yoto Player and Yoto Mini, today released the Hogwarts Library Collection audiobooks as Yoto cards. Following Yoto's highly successful launch of the Harry Potter TM audiobooks in August 2024 – one of the platform's best performing releases – this collection will be available for download on March 6, 2025.

The captivating Hogwarts Library Collection brings to life three spellbinding volumes from the wizarding world: "Fantastic Beasts and Where to Find Them," "Quidditch Through the Ages" and "The Tales of Beedle the Bard." These audiobooks boast a stellar cast of voices,

which Harry Potter fans everywhere will recognize from both stage and screen including Noma Dumezweni, Jude Law, Eddie Redmayne and Bonnie Wright.

An essential trio for young listeners aged eight and up, the collection invites them to explore magical texts found on the shelves in the Hogwarts Library. Listeners will encounter extraordinary magical creatures like the Bowtruckle and Niffler in "Fantastic Beasts and Where to Find Them" and explore timeless, whimsical fables in "The Tales of Beedle the Bard." "Quidditch Through the Ages" offers a deep dive into the history and rules of the wizarding world's most beloved sport, and features exclusive match commentary not included in the print edition – a must-have for any Quidditch lover.

"We're honored to expand our collaboration with Pottermore Publishing and bring the magic of the Hogwarts Library Collection to hundreds of thousands of families," said Jessica Tarrant, Content Director at Yoto. "These enchanting stories are the perfect addition to any young Harry Potter fan's library, and we're thrilled that Yoto can continue to be a bridge between young listeners and the wizarding world."

"The Hogwarts Library books are a perfect complement to the Harry Potter stories, and we couldn't be more delighted to add these to Yoto's platform," said Jennie McCann, Pottermore Publishing's Managing Director. "Yoto's format offers young listeners the opportunity to build a deep connection with the wizarding world and truly immerse themselves in the magic of these stories." The Hogwarts Library Collection, recommended for children aged eight and up, will be available for purchase on all markets of the [Yoto website](#), both individually and as a multipack for \$14.99 and \$39.99 respectively. The cards are designed to work seamlessly with the [Yoto Player 3rd Generation](#), [Yoto Mini \(2024 Edition\)](#) and the free [Yoto app](#).

## About Yoto

Yoto is an interactive audio platform for kids. Yoto offers a catalog of stories, songs, activities and more to inspire creative play and learning without a screen. The carefully connected audio players – the Yoto Player and the Yoto Mini – put kids safely in control. No cameras. No microphones. No ads.

Inspired by Montessori principles, Ben Drury and Filip Denker founded Yoto in 2017. The very first Yoto Player launched on Kickstarter, then promptly sold out in 2019. The second generation Yoto Player was designed with renowned design agency, Pentagram, and launched in early 2020. Yoto Mini - the portable audio player - launched in late 2021.

Now available worldwide, Yoto has won awards and accolades from critics, parents and children alike. Yoto Mini was named as a winner in Good Housekeeping's 2022 Parenting Awards, TIME Magazine named Yoto Player one of the Best Inventions of 2020, and Yoto Mini won a prestigious D&AD Pencil in 2024.

Yoto's platform features both award-winning original content and audio that has been licensed or co-created with partners. These partners include Penguin Random House, Macmillan, Sony, Disney, Sesame Workshop, HarperCollins, Hachette, Paramount, Bonnier and Scholastic.
