

EVH® REVAMPS WEBSITE; NOW INCLUDES “ASK EDDIE” FEATURE, PHOTO GALLERIES, WALLPAPERS & MORE

SCOTTSDALE, Ariz. (March 4, 2014) – EVH is proud to announce that its already popular website, www.evhgear.com – the go to website for all things Eddie Van Halen – has been revamped and now contains many new features designed to enhance the overall EVH online experience.

Perhaps the most notable addition to the site is the “Ask Eddie” feature, which allows fans to ask Eddie Van Halen questions about his career, his gear and whatever else comes to mind. Already, Eddie has responded to questions relating to his effects chain, Wolfgang guitar design specifications and his infamous “Shark Guitar.”

In addition, the website now includes an updated timeline and new photo galleries, which feature photos of Eddie Van Halen through the years. It also offers several free wallpaper designs for computer desktops; as well as a media page, which lets readers peruse recent Eddie Van Halen media interviews and an archive full of EVH catalogs, advertisements and price lists.

As always, the site features all the information and images pertaining to the EVH line of guitars, amplifiers, accessories, and the artists who endorse them; as well as the EVH Store, which sells EVH-branded apparel, accessories and collectibles.
