

FENDER RETURNS TO NAMM UNVEILING PIONEERING NEW PRODUCTS FOR 2025

**INTRODUCTIONS INCLUDE THE STANDARD SERIES,
ACOUSTASONIC® STANDARD, FENDER LINK I/O™ INTERFACE AND
THE BLUES JUNIOR 30TH ANNIVERSARY AMPLIFIER, AMONGST
OTHERS**

HOLLYWOOD, Calif. (January 23, 2025) — Fresh from a highly anticipated return to the 2025 NAMM Show, Fender Musical Instruments Corporation (FMIC) has hit the ground running with its continued pursuit of sonic excellence, unveiling a stunning new range of instruments, amps and accessories. Every new model is conceptualised to enhance an established legacy of high-end craftsmanship, emphasizing quality and tone tailored to the evolving needs of the modern player.

This year, Fender is showing no signs of stopping, with a slate of new products that demonstrate the industry-leading features that the brand has been synonymous with for nearly eighty years. Key highlights include the Standard Series, Acoustasonic® Standard, Fender Link I/O™ Interface and the Blues Junior 30th Anniversary Amplifier, amongst others.

"2025 marks an exciting chapter for Fender as we return to the NAMM Show with a new range of products that embody our commitment to innovation and craftsmanship. We're thrilled to reconnect with the community in this setting and showcase the next generation of instruments designed to inspire creativity and fuel musical passion," said Justin Norvell, Executive Vice President, Product at Fender. "We constantly strive to provide forward thinking designs and unparalleled tonal adaptability with all of the guitars and amps that we release. As with every product we develop, we aim to balance tradition whilst also evolving to meet the requirements of musicians spanning various genres and playing preferences."

"Fender's 2025 lineup showcases a diverse range of products," said Tammy Van Donk, Executive Vice President of Fender Sales. "We're excited to bring our new offerings back to NAMM and engage directly with our dealers in this unique setting that NAMM provides. Designed with precision and passion, this collection delivers unmatched sound quality and playability for today's musicians."

2025 NEW PRODUCT INTRODUCTIONS

FENDER ELECTRICS

STANDARD SERIES

Built to accompany players on their formative musical adventures, the Fender Standard Series delivers the approachable playability and inspiring tone that made Fender an icon of rock & roll.

Standard Series Stratocaster® (\$599.99 USD, £499 GBP, €599 EUR, \$999.00 AUD, ¥88,000 JPY) Powered by a set of Fender Standard pickups for high-output sonic character and an inviting "Modern C"-shaped neck for superior playing comfort, this Strat® truly sets the standard for the Fender experience. AMERICAN VINTAGE II SERIES

The Fender® American Vintage II series is built with period-accurate bodies, necks and hardware, premium finishes and meticulously voiced, year-specific pickups, each instrument captures the essence of authentic Fender craftsmanship and tone. Fender introduces more finish options for existing models and new Limited Edition American Vintage II 1951 Telecaster®.

Limited Edition American Vintage II 1951 Telecaster® (\$2449.99 USD, £2,299 GBP, €2,749 EUR, \$3,999.00 AUD, ¥ 374,000 JPY) The American Vintage II 1951 Telecaster features an ash body finished in Butterscotch Blonde to capture the tone and look of the original. The substantial ‘51 “U”-shaped hard rock maple neck plays like a dream with a 7.25” radius

fingerboard and vintage tall frets. Characteristic of production in 1951, 12th fret face-dot spacing is narrow and the sole Phillips-head fastener on the guitar is at the truss rod nut. The triple brass saddle bridge, single-line "Fender Deluxe" tuners and Pure Vintage '51 Telecaster pickups deliver classic twang and authentic Fender style. Offered in Prototype White.

American Vintage II 1960 Precision Bass® (\$2299.99 USD, 2,299 GBP, €2,749 EUR, \$3,899.00 AUD, ¥357,500 JPY) Featuring a premium alder body, Pure Vintage '60 Split-Coil P-Bass pickup and a substantial "C" shape hard rock maple neck mated with a 7.25" radius slab rosewood fingerboard, the American Vintage II 1960 Precision Bass reproduces the quintessential tone and feel of the original. Model now offered in Olympic White.

American Vintage II 1957 Stratocaster® (\$2299.99 USD, £2,199 GBP, €2,649 EUR, \$3,899.00 AUD, ¥357,500 JPY) Featuring a trio of Pure Vintage '57 Stratocaster pickups, sweeping body contours and a supremely comfortable "V"-shape neck with a 7.25" radius maple fingerboard, the American Vintage II 1957 Stratocaster reproduces the quintessential tone and feel of the original. Other appointments include a vintage-accurate synchronized tremolo with cold rolled steel block and bent steel saddles, single-line "Fender Deluxe" tuners and a single-ply pickguard. Model now offered in Black.

American Vintage II 1965 Stratocaster® (\$2299.99 USD, £2,199 GBP, €2,649 EUR, \$3,899.00 AUD, ¥357,500 JPY) Relive the sound and spirit of 1965 with the American Vintage II 1965 Stratocaster. Smack in the middle of one of music's most electrifying decades, the Stratocaster in 1965 was an instrument on its way to becoming rock's greatest electric guitar. A perfect example of a Strat in a transition year, the 1965 Stratocaster features a 1965 "C"-shaped maple neck, this time with a round-laminated rosewood fingerboard and larger pearl dot inlays. Other authentic features include an 11-hole three-ply eggshell pickguard, the incredibly cool transition logo with larger lettering, and a set of amazing "gray bottom" Pure Vintage 1965 pickups. Model now offered in Sonic Blue, Candy Apple Red and Shoreline Gold.

American Vintage II 1966 Jazzmaster® (\$2599.99 USD, £2,449 GBP, €2,949 EUR, \$4,499.00 AUD, ¥407,000 JPY) The American Vintage II 1966 Jazzmaster features a comfortable "C" shape maple neck that plays like a dream with a 7.25" radius round-lam

rosewood fingerboard and vintage tall frets. Characteristic of production in 1966, this guitar is offered with white neck binding, pearl blocks, single-line “Fender Deluxe” tuners and matching painted headstock (on custom colors only). The patented “floating” tremolo, adjustable bridge with threaded saddles and Pure Vintage ‘66 Jazzmaster pickups, wired to the signature rhythm and lead circuits, deliver classic tone and authentic Fender feel. Model now offered in Sherwood Green Metallic.

PLAYER II LIMITED EDITION SPARKLE

Step into the spotlight and experience iconic Fender sound and style with the Player II Limited Edition Sparkle — a stage-ready guitar with contemporary updates to power your performance and inspire your playing.

Limited Edition Player II Sparkle Stratocaster® (\$899.99 USD, £799 GBP, €949 EUR, \$1,449.00 AUD, ¥121,000 JPY) The Player II Stratocaster radiates timeless Fender charm, but under the hood, it’s primed for today’s players. Everything about the neck is designed for fast and fluid playability, from the Modern “C”-profile with silky satin urethane finish on the back to the comfy 9.5”-radius slab rosewood or maple fingerboard with smooth rolled edges and 22 medium jumbo frets. Player Series Alnico V Single-Coil Strat® pickups offer crystalline highs, musical mids and tight lows that elevate any genre. The 5-way blade switch lets you dial in everything from glassy neck pickup cleans to rowdy bridge pickup snarl and all points in between, while a 2-point tremolo and ClassicGear™ tuners ensure precise tuning stability for the flexibility to explore endless sonic possibilities. Offered in Sparkle Three-Coloured Sunburst.

Limited Edition Player II Sparkle Telecaster® (\$899.99 USD, £799 GBP, €949 EUR, \$1,449.00 AUD, ¥121,000 JPY) The Player II Telecaster radiates timeless Fender charm, but under the hood, it’s primed for today’s players. Everything about the neck is designed for fast and fluid playability, from the Modern “C”-profile with silky satin urethane finish on the back to the comfy 9.5”-radius slab rosewood or maple fingerboard with smooth rolled edges and 22 medium jumbo frets. Player Series Alnico V Single-Coil Tele® pickups offer crystalline highs, musical mids and tight lows that elevate any genre. The 3-way blade

switch lets you dial in everything from smooth neck pickup chime to cutting bridge pickup twang and all points in between, while a 6-saddle bridge, block steel saddles and ClassicGear™ tuners ensure precise tuning stability for the flexibility to explore endless sonic possibilities. Offered in Sparkle Three-Coloured Sunburst.

Limited Edition Player II Sparkle Precision Bass® (\$899.99 USD, £899 GBP, €1,099 EUR, \$1,449.00 AUD, ¥121,000 JPY) The Player II Precision Bass radiates timeless Fender charm, but under the hood, it's primed for today's players. Everything about the neck is designed for fast and fluid playability, from the Modern "C"-profile with silky satin urethane finish on the back to the comfy 9.5"-radius slab rosewood or maple fingerboard with smooth rolled edges and 20 medium jumbo frets. Player Series Alnico V Split-Coil P Bass® pickups offer sweet highs, musical mids and seismic lows that elevate any genre. An adjustable 4-saddle bridge, single-groove steel saddles and open-gear tuners ensure precise tuning stability for the flexibility to explore endless sonic possibilities. Offered in Sparkle Three-Coloured Sunburst.

Limited Edition Player II Sparkle Jazz Bass® (\$899.99 USD, £899 GBP, €1,099 EUR, \$1,449.00 AUD, ¥121,000 JPY) The Player II Jazz Bass radiates timeless Fender charm, but under the hood, it's primed for today's players. Everything about the neck is designed for fast and fluid playability, from the Modern "C"-profile with silky satin urethane finish on the back to the comfy 9.5"-radius slab rosewood or maple fingerboard with smooth rolled edges and 20 medium jumbo frets. Player Series Alnico V Single-Coil J Bass® pickups offer sweet highs, growling mids and seismic lows that elevate any genre. An adjustable 4-saddle bridge, single-groove steel saddles and open-gear tuners ensure precise tuning stability for the flexibility to explore endless sonic possibilities. Offered in Sparkle Three-Coloured Sunburst.

FENDER LINK I/O™ INTERFACE

Fender Link I/O Interface (\$79.99 USD, £74.99 GBP, €89.99 EUR, \$149.00 AUD, ¥16,500 JPY) The perfect tool to capture the next riff, the Fender Link I/O is a studio-grade audio interface designed to fit in a pocket. The Fender Link I/O provides pristine, bi-directional audio over USB connection, serving as a one-stop solution for connecting instruments and headphones to a phone, tablet, Mac, or PC. Featuring an input stage engineered to replicate the dynamic response of Fender's world-famous amplifiers and uncompromising 24-bit / 96kHz audio, the Fender Link I/O delivers high-fidelity tone from any passive or

active instrument directly into a device. The integrated input meter and mix control ensure an exceptional latency-free monitoring experience, while the weighted body provides a stable workflow in any environment. Whether tracking the next big song or practicing through a favorite amp simulator app, Fender quality recording is always on the go with the Fender Link I/O.

TONE MASTER FR-212

Tone Master FR-212 (\$699.99 USD, £629 GBP, €749 EUR, \$1,399.00 AUD, ¥110,000 JPY)

The Tone Master FR-212 is a full range, flat response 2×12 powered speaker designed for use with today's digital guitar amp modelers and profilers. Tone Master FR-212 delivers clear and accurate sound reproduction and perfectly replicates every detail of the amp and effect models. They're the ultimate companion to Tone Master Pro and the ideal solution for players who use modelers at home or on stage.

The Tone Master FR-212 features an integrated 1,000-watt power amp that delivers the volume and headroom needed for even the most demanding live performance. The 3-band active EQ and high frequency cut control allow players to fine tune their stage tone without altering the line output signal. Plus, the design of the FR series was inspired by classic Fender amplifiers for an authentic backline look and feel.

AMERICAN VINTAGE NECKS

American Vintage II 1951 Telecaster® Neck, 21 Vintage Tall Frets, 7.25" Radius, Maple (\$799.99 USD, £749 GBP, €899 EUR, \$1,549.00 AUD, ¥93,500 JPY) In vintage years, the shape and thickness of Fender guitar necks varied tremendously. The American Vintage II Series features authentic neck profiles from Fender's past. Crafted at our Corona, Calif. manufacturing facility, this genuine Fender American Vintage II 1951 Telecaster 1-piece maple neck features a substantial "U"-shaped profile and 7.25"-radius fingerboard with 21 vintage-tall frets. The bone nut is pre-slotted with "pilot" string location grooves to make

spacing a breeze when performing the final string slot filing and a lacquer finish offers a vintage feel. This replacement neck is the perfect way to give your Tele® an authentically '50s feel. This replacement neck is for a Fender or Squier® by Fender guitar. Because Fender genuine replacement necks have not been mounted to guitar bodies, nut slots must be cut by qualified personnel. Other installation processes may be required, such as fret work, fitting the neck to the neck pocket, and other instrument setup procedures. Your local FMIC Authorized Service Center can install genuine replacement necks; find Authorized Service Center locations near you in the "Support" section of [fender.com](https://www.fender.com).

American Vintage II 1957 Stratocaster® Neck, 21 Vintage Tall Frets, 7.25" Radius, Maple

(\$799.99USD, £749 GBP, €899 EUR, \$1,549.00 AUD, ¥93,500 JPY) In vintage years, the shape and thickness of Fender guitar necks varied tremendously. The American Vintage II Series features authentic neck profiles from Fender's past. Crafted at our Corona, Calif. manufacturing facility, this genuine Fender American Vintage II 1957 Stratocaster 1-piece maple neck features a "V"-shaped profile and 7.25"-radius fingerboard with 21 vintage-tall frets. The bone nut is pre-slotted with "pilot" string location grooves to make spacing a breeze when performing the final string slot filing and a lacquer finish offers a vintage feel. This replacement neck is the perfect way to give your Strat® an authentically '50s feel. This replacement neck is for a Fender or Squier® by Fender guitar. Because Fender genuine replacement necks have not been mounted to guitar bodies, nut slots must be cut by qualified personnel. Other installation processes may be required, such as fret work, fitting the neck to the neck pocket, and other instrument setup procedures. American Vintage II 1961 Stratocaster® Neck, 21 Vintage Tall Frets, 7.25" Radius,

Rosewood (\$799.99 USD, £749 GBP, €899 EUR, \$1,549.00 AUD, ¥93,500 JPY) In vintage years, the shape and thickness of Fender guitar necks varied tremendously. The American Vintage II Series features authentic neck profiles from Fender's past. Crafted at our Corona, Calif. manufacturing facility, this genuine Fender American Vintage II 1961 Stratocaster guitar neck features a medium "C"-shaped profile and 7.25"-radius slab rosewood fingerboard with clay dots and 21 vintage-tall frets. The bone nut is pre-slotted with "pilot" string location grooves to make spacing a breeze when performing the final string slot filing

and a lacquer finish offers a vintage feel. This replacement neck is the perfect way to give your Strat® an authentically '60s feel. This replacement neck is for a Fender or Squier® by Fender guitar. Because Fender genuine replacement necks have not been mounted to guitar bodies, nut slots must be cut by qualified personnel. Other installation processes may be required, such as fret work, fitting the neck to the neck pocket, and other instrument setup procedures. Your local FMIC Authorized Service Center can install genuine replacement necks; find Authorized Service Center locations near you in the "Support" section of [fender.com](https://www.fender.com).

American Vintage II 1963 Telecaster® Neck, 21 Vintage Tall Frets, 7.25" Radius, Rosewood (\$799.99 USD, £749 GBP, €899 EUR, \$1,549.00 AUD, ¥93,500 JPY) In vintage years, the shape and thickness of Fender guitar necks varied tremendously. The American Vintage II Series features authentic neck profiles from Fender's past. Crafted at our Corona, Calif. manufacturing facility, this genuine Fender American Vintage II 1963 Telecaster guitar neck features a "C"-shaped profile and 7.25"-radius round-laminated rosewood fingerboard with clay dots (narrow-spaced at the 12th fret) and 21 vintage-tall frets. The bone nut is pre-slotted with "pilot" string location grooves to make spacing a breeze when performing the final string slot filing and a lacquer finish offers a vintage feel. This replacement neck is the perfect way to give your Tele® an authentically '60s feel. This replacement neck is for a Fender or Squier® by Fender guitar. Because Fender genuine replacement necks have not been mounted to guitar bodies, nut slots must be cut by qualified personnel. Other installation processes may be required, such as fret work, fitting the neck to the neck pocket, and other instrument setup procedures. Your local FMIC Authorized Service Center can install genuine replacement necks; find Authorized Service Center locations near you in the "Support" section of [fender.com](https://www.fender.com).

American Vintage II 1973 Stratocaster® Neck, 21 Vintage Tall Frets, 7.25" Radius (\$799.99 USD, £749 GBP, €899 EUR, \$1,549.00 AUD, ¥93,500 JPY) In vintage years, the shape and thickness of Fender guitar necks varied tremendously. The American Vintage II Series features authentic neck profiles from Fender's past. Crafted at our Corona, Calif. manufacturing facility, this genuine Fender American Vintage II 1973 Stratocaster guitar neck features a '73 "C"-shaped profile and 7.25"-radius round-laminated rosewood or maple fingerboard with 21 vintage-tall frets. The large '70's headstock and 3 bolt neck

design with Micro-Tilt™ mechanism add the finishing touches to this vintage-style neck. The bone nut is pre-slotted with “pilot” string location grooves to make spacing a breeze when performing the final string slot filing and a gloss polyurethane finish offers a vintage feel. This replacement neck is the perfect way to give your Strat® an authentically ‘70s feel. This replacement neck is for a Fender or Squier® by Fender guitar. Because Fender genuine replacement necks have not been mounted to guitar bodies, nut slots must be cut by qualified personnel. Other installation processes may be required, such as fret work, fitting the neck to the neck pocket, and other instrument setup procedures. Your local FMIC Authorized Service Center can install genuine replacement necks; find Authorized Service Center locations near you in the “Support” section of [fender.com](https://www.fender.com).

ABOUT FENDER

Since 1946, Fender has revolutionized music and culture as one of the world's leading musical instrument manufacturers, marketers, and distributors. Fender Musical Instruments Corporation (FMIC)–whose portfolio of owned and licensed brands includes Fender®, Squier®, Gretsch® guitars, Jackson®, EVH®, Charvel®, Bigsby®, and PreSonus® – follows a player-centric approach to crafting the highest-quality instruments and digital experiences across genres. Since 2015, Fender's digital arm has introduced a new ecosystem of products and interactive experiences to accompany players at every stage of their musical journey. This includes innovative apps and learning platforms designed to complement Fender guitars, amplifiers, effects pedals, accessories, and pro-audio gear, and inspire players through an immersive musical experience. FMIC is dedicated to unlocking the power of musical expression for all players, from beginners to history-making legends. In 2026, Fender celebrates 80 years of giving artists “wings to fly,” carrying on the vision of its founder, Leo Fender, and connecting players through a shared love of music.
