LINEUP WITH PRO-MOD SERIES AND MJ SERIES UPGRADES**

HOLLYWOOD, Calif. (January 23, 2025) — This year, Fender Musical Instruments Corporation (FMIC), proudly returns to NAMM, showcasing its legacy of innovation with a dynamic lineup of new product introductions from Jackson, Gretsch Guitars, EVH, and

Charvel. With a commitment to inspire musicians at every level, FMIC's latest offerings blend cutting-edge designs with the distinct character of its iconic brands.

This year, Jackson solidifies its metal legacy with the launch of the X/JS Series Surfcaster™ and an expanded lineup of Limited Edition X Series models, delivering bold designs and powerful performance. Gretsch continues to innovate with the introduction of Limited Edition Jim Dandy™ acoustics, exciting updates to the Electromatic® Collection, and fresh additions to the Streamliner™ series. EVH raises the bar with new Wolfgang® Standard and Special models, refreshes of the SA-126 Standard, and the compact yet mighty Iconic® EL34 1×10 amps. Charvel rounds out this year's lineup with a refreshed Pro-Mod Series, a striking new Super Stock model, and continued enhancements to its high-performance guitar range. Together, these introductions reflect a shared commitment to quality, craftsmanship, and the evolving needs of today's musicians.

"We are thrilled to be back at NAMM this year, showcasing some amazing new products players are going to love. Jackson/Charvel, Gretsch and EVH represent the pinnacle of innovation, advancing the state-of-the-art of instruments, amplification and technology for players of all genres that demand high performance, great tone, and incredible style. We are looking forward to what 2025 has in store," says Max Gutnik, Executive Vice President & General Manager of PreSonus, Jackson, Charvel, EVH & Gretsch.

2025 NEW PRODUCT INTRODUCTIONS

Since the 1980s, Jackson guitars have been the industry standard for heavy metal. From lightning speed runs to thunderous power chords, these instruments are optimized for playability, comfort and just about everything a hard rock guitar player could ask for.

Honoring the enduring legacy of legendary guitarist Eddie Van Halen, Fender® is thrilled to unveil a remarkable collection of new products from the EVH® brand. With an unwavering commitment to delivering Eddie's vision, these exceptional offerings embody the spirit of innovation and musical excellence that defined his illustrious career. Guided by Eddie's son, Wolfgang Van Halen, the brand is embarking in a fresh direction that seamlessly merges tradition and innovation, paying tribute to his father's influence while forging a path of its own. Together, Fender and the EVH brand are poised to take Eddie's legacy to new heights, ensuring his indelible impact continues to resonate with musicians and fans worldwide.

SA-126 STANDARD

EVH® SA-126 Standard (\$899.99 USD, £779.00 GBP, €899.00 EUR, \$1499.00 AUD, ¥180,400 JPY) In 2025, we will once again challenge the “norm” with the introduction of the SA-126 Standard, a groundbreaking hybrid guitar that redefines versatility and performance. The SA-126 is a fusion of semi-hollow and solid body designs, blending a chambered/center block solid body with a bolt-on neck, packed with features typically associated with high-performance guitars, including a slim neck, jumbo frets, and high-output pickups. Designed by Wolfgang Van Halen, this instrument is tailored for players who demand both crushing rhythm tones and lightning-fast lead runs. The Mahogany body, chambered with a Mahogany Centerblock for added stability and tonal richness, is capped with a maple top and clean natural body binding for a timeless aesthetic. The neck features a 22-fret, 12”-16” compound radius Rosewood fingerboard with jumbo frets and unique block inlays on a graphite-reinforced baked maple neck, ensuring modern playability and comfort. With a 24.75” scale length and a spoke wheel truss rod adjustment for easy, on-the-fly tweaks, the SA-126 Standard strikes the perfect balance between classic and contemporary.

Equipped with custom-designed EVH pickups by Tim Shaw and the EVH team, the SA-126 is capable of producing everything from crystalline cleans to heavy, saturated overdrive tones. A three-way toggle switch offers quick access to bridge, bridge and neck, and neck pickup configurations, complemented by two volume and two tone controls for precise tonal shaping. The guitar also features an EVH® T.O.M bridge and stop-bar tailpiece, oversized strap buttons, and keystone tuning pegs for enhanced durability and performance.

Available in four striking finishes—Piano Black and Satin White with black hardware, Pelham Green with chrome hardware, and Transparent Wine Red with gold hardware.

For 40 years, Charvel has crafted high-performance tone machines for musicians across the globe who prize superior sound and exceptional design. Having forged its own distinctive identity, Charvel earned its sterling reputation for producing high-end hot-rodded features, making the traditional-style electric guitars a standout across the metal and fusion worlds. Over the years, Charvel has fostered a rich working relationship with some of the industry's foremost musicians, bringing these remarkably high-power instruments into the hands of players worldwide.

SUPER-STOCK SERIES

Super-Stock So-Cal Style 1 HH FR RW (\$1,999.99 USD, £1,169.00 GBP, €1,349.00 EUR, \$3,299.00 AUD, ¥330,000 JPY) Crafted from alder, the distressed white body of this Charvel guitar shows plenty of character with scrapes, dings, and a worn finish, giving it the look of an instrument that's seen some action. The bolt-on maple neck, reinforced with graphite rods, resists bending and warping, ensuring durability on the road. The smooth, fast speed neck profile is designed for lightning-fast playing, while the rolled fingerboard edges provide the feel of a well-loved instrument. The 12"-16" compound radius rosewood fingerboard is equipped with 22 jumbo frets and aged white dot inlays, ideal for shredding. A heel-mount truss rod adjustment thumbwheel makes neck relief tweaks easy. The tortoiseshell pickguard showcases the powerful DiMarzio® pickups: a Super Distortion® in the bridge, a Dark Matter® 2 in the middle, and a PAF Pro in the neck, delivering rich vintage tones with plenty of growl. The two gold speed knobs—one for volume and one for tone—allow for easy tone adjustments. With the Floyd Rose® 1000 Series double-locking tremolo bridge, this guitar can handle everything from rumbling depths to soaring leads

without sacrificing tuning stability. The distressed finish gives the guitar the appearance of a seasoned road warrior, ready to tackle many more miles of music.

PRO-MOD SERIES

Pro-Mod San Dimas® Style 1 HH FR. MPL (\$999.99 USD, £999.00 GBP, €1,199.00 EUR, \$1,599.00 AUD, ¥170,500 JPY) The Pro-Mod San Dimas Style 1 HH FR M is a high-performance guitar designed for exceptional comfort, playability, and tonal versatility. Its sleek alder body is paired with a bolt-on maple neck reinforced with graphite rods for unmatched stability, while a heel-mount spoke wheel ensures quick truss rod adjustments even mid-performance. The speed neck profile and 12"-16" compound radius maple fingerboard with 22 frets offer effortless playability, making it perfect for everything from low-end riffs to soaring leads and worry-free upper-register bends. Equipped with Seymour Duncan® Duncan Distortion™ TB-6 and SH-6N humbuckers, this guitar delivers high-output tones ranging from biting leads to warm, chunky rhythms, with added versatility from a push/pull coil split and a no-load tone control that maximizes the instrument's natural voice. The Floyd Rose® 1000 Series double-locking tremolo system ensures stable tuning while enabling dramatic dive-bombs and expressive vibrato. Available in Gloss Black and Pelham Green.

Pro-Mod San Dimas® Style 1 HH FR. RW (\$999.99 USD, £1,039.00 GBP, €1,199.00 EUR, \$1,599.00 AUD, ¥170,500 JPY) Crafted from alder, the body is paired with a bolt-on maple neck reinforced with two graphite rods to resist bending and warping from environmental changes. The speed neck profile is optimized for lightning-fast playing, with comfortably rolled fingerboard edges that offer the feel of a well-played instrument. The 12"-16" compound radius rosewood fingerboard features 22 jumbo frets and white dot inlays, perfect for fast tempos. The heel-mount truss rod adjust thumbwheel makes neck relief tweaks quick and easy, a must-have for touring musicians.

High-output Seymour Duncan® JB Model™ and Seymour Duncan '59 Model™ humbuckers, mounted directly to the body, deliver high-octane rock tones with rich overtones. The

volume control has a push/pull coil split for additional tonal options, while the no-load tone control operates normally up to position ten, then removes itself from the circuit for transparent sound, letting the guitar's natural voice shine through. For maximum tuning stability and dynamic range, the Floyd Rose® 1000 Series double-locking tremolo system keeps your notes in tune, even through dive bombs and harmonic rises. Available in Satin Ferrari Red and Pharaohs Gold.

Pro-Mod Plus San Dimas® Style 1 HH FR E (\$1249.99 USD, £1,129.00 GBP, €1,299.00 EUR, \$1,999.00 AUD, ¥209,000 JPY) Take your shredding to the next level with the all-new Pro-Mod Plus San Dimas from Charvel. This modernized version of the classic San Dimas shred machine is equipped with even more cutting-edge features for lightning-fast playability. The super-stable caramelized bolt-on maple neck with graphite reinforcement rods offers rock-solid stability in any environment. The 12"-16" compound radius ebony fingerboard with smoothly rolled edges and 4mm pearloid dot inlays makes for effortless riffing. Its thin, fast D-shaped neck profile and 22 jumbo frets enhance speed and playability, while Luminlay® side dots light your path on the darkest stages. The powerful Seymour Duncan® JB Model™ bridge and '59 Model™ neck humbuckers provide thick, singing tones perfect for everything from crunchy rhythms to blistering leads, with a 5-way blade switch to dial in your sound. The Floyd Rose® 1500 double-locking tremolo ensures tuning stability during dive bombs and whammy tricks. With a sleek matching painted headstock, new hand-shake heel design, and recessed neck screws, this guitar looks as good as it plays. Available in Scorched Earth and Snow White.

ABOUT JACKSON:

Jackson® began in the late 1970s when heavy music experienced a virtuosic resurgence in popularity and a small Southern California repair shop became the epicenter of a new level of excellence. When extravagant guitarists needed more from their instruments, a small staff of highly skilled craftsmen answered the call with a new breed of high-performance custom guitars. From that point on, heavy metal history would be written with Jackson's guitars being lauded as the industry's shred machines. Known for their distinctive style and formidable substance, Jackson guitars have melded seamlessly with each and every sonic mutation across the metal genre allowing discerning guitarists everywhere to achieve an explosive sound. Over the years, Jackson has worked with some of the most influential and respected players in the world and its roster of signature artists boasts guitarists whose impactful and game-changing contributions to heavy metal continue to inspire generations of musicians and fans. Today, Jackson is an owned brand under Fender Musical Instruments Corporation (FMIC) and with a foundation of premium state-of-the-art manufacturing facilities and the industry's finest team of seasoned builders, together they are poised for a new and transformative era. ABOUT EVH®:

Two of the most important and recognizable names in rock 'n' roll joined forces in 2005 to develop the EVH® brand of guitars, amplifiers and musical products. Guitar icon and virtuoso Eddie Van Halen combined his unparalleled instinct and innovation in instrument and amp design with the expertise of the craftsmen and engineers at Fender to create a line of high quality, durable instruments that epitomize the sound of rock 'n' roll. The result is an arsenal of super powerful guitars and amps that remain unmatched in sound and form and guitars that embody speed, style and emotion. Today, Fender honors the legacy of the legendary guitarist through exceptional offerings that embody the spirit of innovation and musical excellence that defined his illustrious career. Guided by Eddie's son, Wolfgang Van Halen, the brand is embarking on a bold direction that seamlessly merges tradition and forward looking innovation, paying tribute to his father's influence while forging a path of its own. EVH® is a licensed brand under Fender Musical Instruments Corporation (FMIC) and their work together has provided musicians everywhere with the foundation to emulate one of the world's best guitarists while also recruiting some of the biggest names in music whose inventive playing styles honor the legacy of Eddie Van Halen.
