

Charvel honors Evergrey guitarist Henrik Danhage with new signature model

Scottsdale, Ariz. (October 23, 2020) – Charvel® today announces the release of the **HENRIK DANHAGE LIMITED EDITION SIGNATURE PRO-MOD SO-CAL STYLE 1**.

Danhage has provided the battering riffs for Swedish progressive heavy metal band Evergrey for nearly two decades.

Charvel proudly honors the distinct axeman with the all-new signature model featuring an ash body, 25.5" scale length and a bolt-on maple neck with graphite-reinforcement rods that provide superior support against bending and extreme environmental fluctuations. A 12"-16" compound radius maple fingerboard with comfortable rolled edges, 22 jumbo frets and black dot inlays provides the ideal surface for brazen riffing and precise chording, while a heel-mount truss rod adjustment wheel allows for quick and easy neck relief tweaks on the fly.

A Seymour Duncan® JB™ TB-4 bridge pickup is a well-versed, high output humbucker ideal for crunchy rock 'n' roll or blistering metal attitude, while the DiMarzio® Area 67™ DP419CR single-coil neck pickup shines with bright and shimmering clean tones.

The single white Strat®-style skirt volume knob houses a push/push selector for switching between the bridge and neck pickups, while a top-mount Floyd Rose® 1000 Series double-

locking tremolo bridge system keeps this axe in tune through endless dive bombs and aggressive styles of playing.

As if it's actually been through 20 years of touring with the Evergrey guitarist, the **HENRIK DANHAGE LIMITED EDITION SIGNATURE PRO-MOD SO-CAL STYLE 1** sports a heavy White Relic finish topped with a 3-ply white pickguard, chrome hardware and relic'd neck, fingerboard and reverse licensed Fender® Strat headstock.
