

KAT® PERCUSSION INTRODUCES NEW ULTRA ISOLATION HEADPHONES

COMFORTABLE, PROFESSIONAL-LEVEL HEADPHONES WITH PASSIVE NOISE REDUCTION

BLOOMFIELD, Conn. (October 1, 2013) — KAT Percussion now gives drummers their own private musical space, with the new Ultra Isolation Headphones (KTUI26). Designed with the drummer in mind, the Ultra Isolation Headphones offer a wide dynamic range and superior external noise isolation.

Lightweight and durable, KAT Ultra Isolation Headphones (MSRP: \$109.95) are made with large comfortable foam ear cushions to combat ear fatigue and reduce external noise by 26 decibels. The 1/8" stereo headphone jack also comes with an add-on 1/4" adapter.

"KAT's new Ultra Isolation Headphones are the ideal choice for private practicing and critical listening," said Mark Moralez, product manager for KAT. "The headphones make practicing acoustic drums sound like a studio mix."

ABOUT FENDER

Since 1946, Fender has revolutionized music and culture as one of the world's leading musical instrument manufacturers, marketers, and distributors. Fender Musical Instruments Corporation (FMIC)—whose portfolio of owned and licensed brands includes Fender®, Squier®, Gretsch® guitars, Jackson®, EVH®, Charvel®, Bigsby®, and PreSonus® – follows a player-centric approach to crafting the highest-quality instruments and digital experiences across genres. Since 2015, Fender's digital arm has introduced a new ecosystem of products and interactive experiences to accompany players at every stage of their musical journey. This includes innovative apps and learning platforms designed to complement Fender guitars, amplifiers, effects pedals, accessories, and pro-audio gear, and inspire players through an immersive musical experience. FMIC is dedicated to unlocking the power of musical expression for all players, from beginners to history-making legends. In 2026, Fender celebrates 80 years of giving artists “wings to fly,” carrying on the vision of its founder, Leo Fender, and connecting players through a shared love of music.
