

SQUIER® BY FENDER® RELEASES VINTAGE MODIFIED BARITONE JAZZMASTER®

SCOTTSDALE, Ariz. (October 22, 2014) – Squier presents one of its most distinctive instruments ever in the deeply resounding form of the **Vintage Modified Baritone Jazzmaster** guitar.

Tuned A to A and featuring the 30" scale length of a short-scale bass, it lends a rumbling baritone sonic character all its own to your sound and features the authentic vintage-style look of Fender's seldom-seen Antigua finish, with a matching pickguard. Fingerboard binding and white pearloid block inlays impart even more elegance, and that deep one-of-a-kind twang rocks loud and clear from a pair of Dual Duncan Designed™ single-coil Jazzmaster pickups. All together, the Vintage Modified Baritone Jazzmaster makes for a singularly exciting Squier playing experience.

ABOUT FENDER

Since 1946, Fender has revolutionized music and culture as one of the world's leading musical instrument manufacturers, marketers, and distributors. Fender Musical Instruments Corporation (FMIC)—whose portfolio of owned and licensed brands includes Fender®, Squier®, Gretsch® guitars, Jackson®, EVH®, Charvel®, Bigsby®, and PreSonus® – follows a player-centric approach to crafting the highest-quality instruments and digital experiences across genres. Since 2015, Fender's digital arm has introduced a new ecosystem of products and interactive experiences to accompany players at every stage of their musical journey. This includes innovative apps and learning platforms designed to complement Fender guitars, amplifiers, effects pedals, accessories, and pro-audio gear, and inspire players through an immersive musical experience. FMIC is dedicated to unlocking the power of musical expression for all players, from beginners to history-making legends. In 2026, Fender celebrates 80 years of giving artists “wings to fly,” carrying on the vision of its founder, Leo Fender, and connecting players through a shared love of music.
