

EVH® ANNOUNCES THE ALL-NEW 5150III®S EL34 HEAD AND CABINET; ADDS NEW WOLFGANG® SPECIAL MODELS

SCOTTSDALE, Ariz. (June 23, 2016) – EVH is proud to announce the all-new **5150III®S 100S EL34 HEAD** and matching **5150III®S EL34 412ST CABINET**, as well as two new models to its Wolfgang® Special lineup.

EVH® 5150III®S 100S EL34 HEAD AND 5150III®S EL34 412ST CABINET

Experience classic EL34 tone —the sound that helped power Eddie Van Halen’s ground-breaking work on his earliest Van Halen albums —and lethal gold and black looks in the ferocious new **EVH® 5150III®S 100S EL34 HEAD**.

The EL34 power tubes deliver smoother contours, and greater sag and saturation that evoke a more modern “British” sound, all with more sustain and versatility than ever before. Channel one boasts an even finer clear-and-compressed clean tone, while channels two and three now possess even more compression and saturation.

Other features include a rear-panel Resonance control section that tailors low-frequency response for each channel and a bias testing and adjustment port that allows for fine-tuning the tubes with more ease than ever.

To complement the **5150III®S 100S EL34 HEAD**, EVH is adding the **5150III®S EL34 412ST CABINET**. This 100 watt, 16 ohm matching black with gold trim straight-front 412 cabinet features a rock solid birch construction, Signature Celestion® G12EVH speakers, EVH casters and recessed metal handles.

Coming October 2016.

EVH® WOLFGANG® SPECIAL, EL NATURAL

Road-tested in arenas around the world, the **WOLFGANG® SPECIAL** is a familiar purebred music-making machine, but a new and elegant El Natural finish richly accented by tobacco-stained back and sides with a matching natural headstock makes its grand entrance for summer 2016.

Features include an arched top basswood body with a robust graphite-reinforced quartersawn maple neck, speedy 12"-16" compound radius maple fingerboard with 22 jumbo frets, direct mounted Custom Designed EVH Wolfgang humbucking pickups, EVH-branded Floyd Rose® locking tremolo bridge and EVH D-Tuna®.

Coming August 2016.

EVH® WOLFGANG® SPECIAL STRIPED

In a class all its own, the **WOLFGANG® SPECIAL STRIPED** model is decked out in Red, Black and White Stripes and pays homage to Eddie Van Halen's original guitar.

Features an arched top basswood body with a robust graphite-reinforced quartersawn maple neck, speedy 12"-16" compound radius ebony with 22 jumbo frets and heel-mounted spoke wheel, direct mounted Custom Designed EVH Wolfgang humbucking pickups, EVH-branded Floyd Rose® locking tremolo bridge, Floyd Rose locking nut, EVH D-Tuna®, chrome hardware and black headstock.

Coming October 2016.
