GRETSCH INTRODUCES SEVERAL LIMITED EDITION MODELS AS WELL AS NEW COLORS FOR CORE MODELS

Scottsdale, Ariz. (June 28, 2018) – Gretsch® is excited to introduce several new limited edition models including a pair of Streamliner models with the **G2420T-P90 LIMITED EDITION STREAMLINER™ HOLLOW BODY P90 WITH BIGSBY®** and the **G2655TG-P90 LIMITED EDITION STREAMLINER™ CENTER BLOCK JR. P90 WITH BIGSBY® AND GOLD HARDWARE**, as well as the **G6136T-59 LIMITED EDITION '59 FALCON™ WITH BIGSBY®, G6134T LIMITED EDITION PENGUIN™ WITH BIGSBY®, G5655TG LIMITED EDITION ELECTROMATIC® CENTER BLOCK JR. SINGLE-CUT WITH BIGSBY® AND GOLD HARDWARE** and **G5021E LIMITED EDITION RANCHER™ PENGUIN™ PARLOR**.

Gretsch has also added new colors to its core lineup with the **G5420T ELECTROMATIC® HOLLOW BODY SINGLE CUT WITH BIGSBY®** in Candy Apple Red and the **G6659TG PLAYERS EDITION BROADCASTER® JR. CENTER BLOCK SINGLE-CUT WITH STRING-THRU BIGSBY® AND GOLD HARDWARE** in Vintage White.

The **G2420T-P90 LIMITED EDITION STREAMLINER™ HOLLOW BODY P90 WITH BIGSBY®** adds a sonic twist by combining the Broad'Tron™ bridge pickup with a P90 neck pickup. The single-coil P90 Dog Ear neck pickup spawns a vibrant, fat tone while the Broad'Tron neck pickup offers a throaty humbucker bite.

A fast-playing 12"-radius rosewood fingerboard with elegant pearloid block inlays and 22 medium jumbo frets sits atop the bound nato neck with a thin "U"- shaped profile.

The Bigsby-licensed B60 vibrato tailpiece adds shimmer and expression, while the Adjusto-Matic™ bridge with secured rosewood base and synthetic bone nut grant amazing tuning stability.

The G2420T-P90 combines all the classic vintage style to expect from Gretsch—a gorgeous Midnight Wine Satin finish, vintage-style black control knobs, F Holes, elegant body binding, slick-looking nickel hardware, arched laminated maple construction and a three-ply black/white/black pickguard with the Gretsch logo.

Offered in a stunning Riviera Blue Satin finish, the **G2655TG-P90 LIMITED EDITION STREAMLINER™ CENTER BLOCK JR. P90 WITH BIGSBY® AND GOLD HARDWARE** is designed for three simple things—high gain-friendly performance, slick, easy playability, and spectacular style.

The secret to the Streamliner's sound is threefold—the Broad'Tron™ neck pickup, the P90 bridge pickup and the spruce center block. The single-coil P90 Soap Bar bridge pickup spawns a brighter and more transparent tone than a traditional humbucker, yet still has that throaty thick midrange for a unique tone.

A lightweight spruce center block runs the length of the body, reinforcing the top while eliminating undesired feedback for volume-friendly performance on modern stages.

#

A sophisticated rendition of the original, the **G6136T-59 LIMITED EDITION '59 FALCON™ WITH BIGSBY®** combines period-accurate features and appointments from the golden age of electric guitars.

A pair of TV Jones® Ray Butts Ful-Fidelity pickups generates powerful tone and unparalleled dynamics. A highly resonant laminated maple top with 1959-style trestle bracing and laminated maple back and sides make this instrument a veritable cannon.

The string-thru Bigsby B6CP vibrato tailpiece adds expressive shimmer, while the pinned rocking bar bridge and Graph Tech® TUSQ™ XL nut combine for impeccable tuning stability.

Satisfying eyes and ears with its golden tones and gleaming looks, this rare Lake Placid Blue guitar comes alive in the player's hands, singing with its distinctive voice at every strum.

#

The **G6134T LIMITED EDITION PENGUIN™ WITH BIGSBY®** takes Gretsch's rarest bird and decks it out in a flaxen Casino Gold finish, complemented by a matching headstock, glittering silver sparkle binding with white/black/ white/black purfling and chrome hardware, including a banjo arm rest.

The chambered mahogany single-cutaway body magnifies harmonic richness by letting air resonate between the maple top and body for livelier, more articulate tone. Dual TV Jones® TV Classic pickups deliver pure Gretsch power, with Squeezebox paper-in-oil capacitors under the hood for even smoother vintage tone.

The G6134 also includes a no-load tone control for smoother tonal taper while unleashing full-throttle Filter'Tron™ power, and a Bigsby B3C vibrato tailpiece.
