

JACKSON® ANNOUNCES 2013 WINTER NAMM RELEASES

SCOTTSDALE, Ariz. (Jan. 23, 2013) – Jackson is thrilled to unveil a collection of 20 new models charged with new features designed for speed and killer looks. The 2013 lineup includes artist signature, Pro Series, Dinky™ and JS Series models. Each product along with its most distinctive features is listed below:

ARTIST SIGNATURE MODELS

Chris Broderick Pro Series Soloist™ 6 and 7

When Chris Broderick joined a revitalized Megadeth in 2008, fans were awestruck by his chops. Jackson now honors this metal stalwart with the **Chris Broderick Pro Series Soloist**, in **six-string and seven-string models.**

Both models boast an arch-top mahogany body and through-body maple neck, 12"-radius rosewood fingerboard with 24 jumbo frets, 25.5" scale length, stylish fingerboard and headstock binding, direct-mount DiMarzio® Chris Broderick signature pickups, Floyd Rose® Special tremolo (Special seven-string tremolo on seven-string model), Jackson die-cast tuners and Dunlop® locking strap buttons. Available in Satin Black and Snow White.

Corey Beaulieu USA Signature KV6 and KV7

Trivium's Corey Beaulieu is a true virtuoso and needs a guitar to keep up with his blindingly fast hands. That's why Jackson is excited to honor him and Trivium fans alike with the **Corey Beaulieu USA Signature KV**, in **six-string and seven-string models.**

Both models feature an alder body (AAA flame top on trans finish model), bound through-body quartersawn maple neck, compound-radius, ebony fingerboard with old-school sharkfin inlays, covered Seymour Duncan® Blackout pickups with three-way toggle

switching, single volume control, original Floyd Rose tremolo (seven-string tremolo on seven-string model), and Jackson tuners. Available in Gloss Black, Transparent Black and Transparent Red. Includes case.

Dave Ellefson Signature Kelly Bird Bass

Megadeth's Dave Ellefson is expanding his arsenal of signature bass models with the addition of the new **David Ellefson Signature Kelly Bird Bass**. The four-string bass features a basswood body with Ellefson's signature red pinstripe finish, bolt-on bound maple neck with 21 jumbo frets and block inlays, EMG® pickups, two volume controls and three-band active EQ, Jackson high-mass four-string HM-4 bridge, and Jackson die-cast tuners. Available in Red Burst with Black Center-Stripe.

PRO SERIES

Jackson's 2013 Pro Series welcomes a collection of new models equipped for full-on assault. The models along with their most distinctive features are listed below:

Pro DKA Dinky™ 7 and 8

The limited edition **Pro DKA Dinky**, available in seven-string and eight-string models, features an arch-top alder body, bolt-on maple neck (flat-sawn) with graphite reinforcement, 16"-radius maple fingerboard with 24 jumbo frets and offset position markers (12th-fret shark fin inlay on eight-string model), stylish fingerboard and headstock binding, 26.5" scale length, dual direct-mount DiMarzio D Activator 7™ pickups (8™ in eight-string model) with five-way switching, single volume and tone controls, momentary kill switch (for stutter effects), recessed Jackson HT-7 seven-string hard-tail string-through bridge (HT-8 in eight-string model), Planet Waves® locking tuners and Dunlop locking strap pins. **Pro DKA7** available in Satin White; **Pro DKA8** available in Metallic Black.
