

GRETSCH® EXPANDS STREAMLINER™ COLLECTION WITH ALL-NEW CENTER BLOCK P90 MODELS

ALL-NEW GRETSCH FIDELI'SONIC PICKUPS BLEND BRASH AND BRAWN

Scottsdale, Ariz. (May 26, 2021) – Gretsch® today expands the Streamliner™ Collection with the all-new **G2622T-P90 Streamliner™ Center Block Double-Cut P90 with Bigsby®**, **G2622-P90 Streamliner™ Center Block Double-Cut P90 with V-Stoptail**, **G2655T-P90 Streamliner™ Center Block Jr. Double-Cut P90 with Bigsby®** and **G2655-P90 Streamliner™ Center Block Jr. Double-Cut P90 with V-Stoptail**.

These models are designed for three simple things — high gain-friendly performance, slick, easy playability and spectacular style.

The Streamliner Center Block and Center Block Jr.'s sound is the perfect blend of brash and brawn with a chambered spruce center block driven to the limit by all-new FideLiSonic™ 90 pickups. These single-coil pickups retain the full warm tone of a traditional P90 with a distinct top-end that is articulate and well-defined. The lightweight spruce center block runs the length of the mahogany body (16" for Center Block and 14" for Center Block Jr.), reinforcing the arched top while eliminating undesired feedback for volume-friendly performance on modern stages. Sonic power is harnessed and shaped by the traditional control layout—neck and bridge pickup volume controls, a master tone control, master volume control and three-way pickup toggle switching.

A fast-playing 12"-radius laurel fingerboard with unique oval inlays and 22 medium jumbo frets sits atop the white-bound nato neck with a thin "U"-shaped profile—ideal for chord work or fiery riffing, while the anchored Adjusto-Matic™ bridge and synthetic bone nut grants astounding tuning stability and accurate, slip-free intonation.

Classic '50s and '60s Gretsch eye-catching style is also here with all-new "radio arrow" control knobs, enlarged F-holes for increased acoustic projection, stylized pickup bezels, elegant aged white binding with upgraded purfling, one-ply pickguard and slick-looking nickel hardware.

The **G2622T-P90** features a Bigsby-licensed B70 tailpiece and comes in Brownstone, Forge Glow and Gunmetal, while the **G2622-P90** with V-Stoptail is offered in Claret Burst and Havana Burst.

The **G2655T-P90** features a Bigsby-licensed B50 vibrato tailpiece and is available in Two-Tone Midnight Sapphire and Vintage Mahogany Stain, Two-Tone Mint Metallic and Vintage Mahogany Stain or Two-Tone Sahara Metallic and Vintage Mahogany Stain. The **G2655-P90** with V-Stoptail comes in Brownstone and Claret Burst.

Experience Full-Wave Fidelity with these all-new models, featured here in this new video demo: <https://youtu.be/l8aolocRezM>

ABOUT GRETSCH®:

With roots in the past while maintaining an eye to the future—from the cavernous clubs of Liverpool to the main stage headliner at Coachella, Gretsch has been the voice of inspiration, personal expression and musical invention. It's no accident that the sound of a Gretsch has been heard loud and proud on some of the most pivotal recordings ever created. The instrument of choice for musical revolutionaries due to their rich, full sound, smooth playability and boldly classic visual style, Gretsch and rock 'n' roll have been—and always will be—inseparable partners.

ABOUT FENDER

Since 1946, Fender has revolutionized music and culture as one of the world's leading musical instrument manufacturers, marketers, and distributors. Fender Musical Instruments Corporation (FMIC)—whose portfolio of owned and licensed brands includes Fender®, Squier®, Gretsch® guitars, Jackson®, EVH®, Charvel®, Bigsby®, and PreSonus® – follows a player-centric approach to crafting the highest-quality instruments and digital experiences across genres. Since 2015, Fender's digital arm has introduced a new ecosystem of products and interactive experiences to accompany players at every stage of their musical journey. This includes innovative apps and learning platforms designed to complement Fender guitars, amplifiers, effects pedals, accessories, and pro-audio gear, and inspire players through an immersive musical experience. FMIC is dedicated to unlocking the power of musical expression for all players, from beginners to history-making legends. In 2026, Fender celebrates 80 years of giving artists “wings to fly,” carrying on the vision of its founder, Leo Fender, and connecting players through a shared love of music.
