

FENDER® INTRODUCES NEW SUPER CHAMP® AMP, HEAD AND ENCLOSURE

SERIES WELCOMES TUBE AMPS WITH INTUITIVE FEATURES AND ALL-NEW MODELING

SCOTTSDALE, Ariz. (Jan. 13, 2012) –Fender is proud to introduce the all-new members of the popular Super Champ series. The new Super Champ X2, Super Champ X2 Head, and SC112 Enclosure bring exciting, brand new modeling and user-friendly features, providing great tone for blues, rock, country and more.

Made in Ensenada, Mexico, the ultra functional **SUPER CHAMP X2** combo amplifier combines 15 watts of rich dual-6V6 tube amplification with a Fender Special Design 10" speaker for dynamic combo amp tone. This simple, easy-to-use platform includes two switchable channels and several modern extras, such as a voicing knob for selection of 16 different amp types (Tweed, Blackface, British, Metal and more), 15 effects with level control, dual-channel switching (footswitch optional), tap tempo control for precise delay time or modulation speed adjustment, ¼" line output and USB output for speaker-emulated digital recording. For extra versatility, players can add-on the Fender FUSE™ software (available as a free download), for customization of amp voicing and effects defaults, effects parameters deep editing, and online access to free Fender community content.

The **SUPER CHAMP X2 Head** offers great, low-power tube sound in compact design that presents the same great features as its 15-watt, dual-channel combo sibling. It's designed for use with the new SC112 Enclosure, or other 8-ohm speaker enclosure.

The new **SC112 ENCLOSURE** mates perfectly with the Super Champ X2 Head or other quality amplifiers. Also made in Ensenada, Mexico, it is compact and rugged, rated at 80 watts RMS (at 8 ohms), and features a single 12" Celestion® G12P-80 speaker for tight, defined tone and a closed-back design for increased bass response.

ABOUT FENDER

Since 1946, Fender has revolutionized music and culture as one of the world's leading musical instrument manufacturers, marketers, and distributors. Fender Musical Instruments Corporation (FMIC)—whose portfolio of owned and licensed brands includes Fender®, Squier®, Gretsch® guitars, Jackson®, EVH®, Charvel®, Bigsby®, and PreSonus® – follows a player-centric approach to crafting the highest-quality instruments and digital experiences across genres. Since 2015, Fender's digital arm has introduced a new ecosystem of products and interactive experiences to accompany players at every stage of their musical journey. This includes innovative apps and learning platforms designed to complement Fender guitars, amplifiers, effects pedals, accessories, and pro-audio gear, and inspire players through an immersive musical experience. FMIC is dedicated to unlocking the power of musical expression for all players, from beginners to history-making legends. In 2026, Fender celebrates 80 years of giving artists "wings to fly," carrying on the vision of its founder, Leo Fender, and connecting players through a shared love of music.
