Pulte Homes Grand Opens The Heights: Elevating Bay Area Living in San Mateo

Pulte Homes announces the grand opening of The Heights, a new residential community in San Mateo, CA. The new community offers a mix of single-family homes, condominiums, and townhomes across three distinct neighborhoods called Elevate, Overlook, and Viewpointe, with 156 residences across 8.41 scenic acres. Starting January 11th, 2024, visitors are welcome to tour two brand new model homes at Elevate at the Heights and take in the community's signature rooftop decks, which offer stunning views and create unique outdoor living and entertainment opportunities. `

"We're excited to welcome the community to experience firsthand what makes The Heights such a special addition to San Mateo," said Rick Wiles, president of PulteGroup's Northern California Division. "As one of the only new construction communities in the area, The Heights presents a rare opportunity to own a new home in this highly desirable hilltop location."

The community's impressive array of amenities will include:

- Walking paths with convenient bench seating
- A community garden
- A dedicated dog park
- An outdoor picnic area
- A children's play area
- Fitness loop stations
- A synthetic turf game area

The Heights' prime location offers unparalleled convenience for Bay Area residents, with easy access to US-101 and SR 82. Commuters will appreciate the proximity to the CA-92/San Mateo Hayward Bridge for East Bay access, while frequent travelers can reach San Francisco International Airport in just 15 minutes via US-101.
