PulteGroup Increases Quarterly Cash Dividend by 18% to $0.26 Per Share

PulteGroup, Inc. (NYSE: PHM) announced today that its Board of Directors has voted to increase the Company's quarterly dividend by 18% to $0.26 per common share. The increase will be effective with the Company's next scheduled dividend, which is payable January 6, 2026, to shareholders of record at the close of business on December 16, 2025.

"Consistent with our capital allocation priorities of investing in the business and returning excess funds to shareholders, PulteGroup is again increasing its per share dividend payout," said PulteGroup President and CEO, Ryan Marshall. "This marks the seventh year in a row in which the Company has increased its dividend, as we continue to use our strong cash flow generation to grow our business and increase long-term value for our shareholders."
