

Centex Announces New Community in Seguin

San Antonio area expansion continues with Walnut Bend, starting at \$247,990

Centex announces the opening of its newest San Antonio area community, Walnut Bend, located east of the city in the quaint small town of Seguin. The community will offer seven single- and multi-story home designs, each perfectly appointed with affordable features ideal for both families and first-time home buyers.

“Centex has unveiled several new communities in the San Antonio area over the past year, but Walnut Bend is the first near downtown Seguin,” said Shawn Seaberg, division president of Centex Homes in San Antonio. “It is perfectly located to provide residents a sense of small-town charm but with easy access for commuting to San Antonio or New Braunfels.”

Residents can choose their perfect home from seven distinct designs, with sizes ranging from 1,408 to 2,601 sq. ft. with 3-4 bedrooms, 2-3 bathrooms and 2-car garages. All plans are thoughtfully planned to include open layouts, private owner's suites with walk-in closets, island kitchens and walk-in laundry rooms.

Outside their homes, Walnut Bend residents will enjoy the quaint restaurants and shops of downtown Seguin, the serenity of floating down the nearby Guadalupe River, and the activities of nearby Max Starcke Park, including an 18-hole golf course, wave pool, natural fishing area, paddling trail, walking trail, tennis, basketball and volleyball.

Located just off TX-46, Walnut Creek will consist of 107 homes at buildout, and prices start at \$247,990.

Interested buyers are welcome to visit the Walnut Bend sales center and tour its fully furnished model at 1133 B and B Road, San Antonio, TX 78155.

Buyers can also virtually view and tour the homes from any smartphone, tablet or computer.
