

Holland Music Tech Hub

meet the Dutch music&tech pioneers at midem 2012!

Meet the leading Dutch companies in music and technology at the Holland Music Tech Hub during midem from January 28-31 2012. The Holland Music Tech Hub is commissioned by Agency NL EVD International.

We're happy to introduce you to the delegates! Would you like to schedule a meeting? Please send an email to jessie@handelsroute.nl or come by our booth, L2.11.

Mobilaria is one of the leading companies providing apps, sites and complementary services for multimedia on mobile devices. We support all major platforms and our apps were downloaded by more than 4 million users. Our technology is available turn-key and is deployed at top notch clients among radio stations and multimedia companies in the Netherlands and abroad. Check out our apps in iTunes and other app stores!

GUITAR COMMUNITY

Guitar Community is an online community assisting guitarists, from absolute beginner to professional, in improving their six-string skills. The Guitar Community is now exclusively offered to students from the Guitar Academy in the Amsterdam area but soon reaches out to connect and inspire many more (future) guitar heroes in the world. High-quality guitar classes, rapid personal assistance by certified guitar teachers and a unique tab-on-demand service make the Guitar Community the ultimate online guitar experience. By joining the Guitar Community, you are joining an inspiring and lively guitar scene that is rapidly expanding from the homebase in Amsterdam.
